Use Schedule PIT-S ONLY if you have more than five federal qualifying dependent exemptions. If you have more than five federal dependent exemptions, enter the name, social security number, and date of birth of the first five qualifying dependents on line 5 of 2011 Form PIT-1. Enter the name, social security number, and date of birth of the remaining qualifying dependents on 2011 Schedule PIT-S and attach the Schedule PIT-S to your 2011 New Mexico Personal Income Tax Return. Enter only qualifying dependent exemptions allowed on your federal return. You do not need to include yourself or your spouse if filing a joint return. New Mexico uses the same definitions and qualifications as the Internal Revenue Service to determine if someone is a qualified dependent. See the instructions for Federal Form 1040, 1040A or 1040EZ to determine who you may claim as a dependent exemption or visit the IRS website at www.irs.gov.
