What' New

Increase in Rates – For taxable years beginning on or after January 1, 2012, the maximum personal income tax rate increased to 12.3%. In addition, non-California partnerships are subject to withholding requirements on a sale of California real property at a rate of 3 1/3% (.0333) of sales price or 12.3% of gain. The alternative withholding rate for the gain on sale of California real property by S corporations increased to 13.8% and 15.8% for financial S corporations.

General Information

Backup Withholding – Beginning on or after January 1, 2010, with certain limited exceptions, payers that are required to withhold and remit backup withholding to the Internal Revenue Service (IRS) are also required to withhold and remit to the Franchise Tax Board (FTB). The California backup withholding rate is 7% of the payment. For California purposes, dividends, interests, and any financial institutions release of loan funds made in the normal course of business

are exempt from backup withholding. For additional information on California backup withholding, go to **ftb.ca.gov** and search for **backup withholding**.

Withholding Agent Instructions

Registered Domestic Partners (RDPs) – Under California law, RDPs must file their California income tax returns using either the married/RDP filing jointly or married/RDP filing separately filing status. RDPs have the same legal benefits, protections, and responsibilities as married couples unless otherwise specified.

If you entered into a same-sex legal union in another state, other than a marriage, and that union has been determined to be substantially equivalent to a California registered domestic partnership, you are required to file a California income tax return using either the married/RDP filing jointly or married/RDP filing separately filing status.

For purposes of California income tax, references to a spouse, husband, or wife also refer to a California RDP, unless otherwise specified. When we use the initials RDP they refer to both a California registered domestic "partner" and a California registered domestic "partnership," as applicable. For more

information on RDPs, get FTB Pub. 737, Tax Information for Registered Domestic Partners.

A Purpose

For purposes of Form 592-B, the term "nonresident" refers to both domestic and foreign recipients. A domestic nonresident is a person living outside of California, but living in the United States. If you are a resident living outside of the United States, you are a foreign nonresident.

Use Form 592-B to report to the recipient the amount of payment or distribution subject to withholding and tax. Complete a separate Form 592-B for each resident or nonresident. Pass-through entities which were withheld upon by another entity should use Form 592 to flow-through the withholding to their S corporation shareholders, partners, members, or beneficiaries whether they are residents or nonresidents of California.

Use Form 592-V, Payment Voucher for Resident and Nonresident Withholding, to remit withholding payments during the year. To remit foreign partner withholding payments use Form 592-A, Payment Voucher for Foreign Partner or Member Withholding.

B Common Errors/Helpful Hints

- Get taxpayer identification numbers (TINs) from all payees.
- Complete all fields.
- Complete all forms timely to avoid penalties.

Who Must Complete

Form 592-B must be completed by any person who:

- Has withheld on payments to residents or nonresidents.
- Has withheld backup withholding on payments to residents or nonresidents.
- Is a pass-through entity that was withheld upon and must flow-through the withholding credit.

Record Keeping

The withholding agent retains the proof of withholding for a minimum of four years and must provide it to the FTB upon request. Form 592-B is provided to the recipient to file with their state tax return. This form can be provided to the payee electronically. A broker can provide Form 592-B as a composite statement. For more information go to ftb.ca.gov and search for electronic 592-B requirements.

When To Complete

- Each resident or nonresident by January 31 following the close of the calendar year, except for brokers as stated in Internal Revenue Code (IRC) Section 6045.
- A recipient before February 15 following the close of the calendar year for brokers.
- Foreign partners in a partnership or members in a limited liability company (LLC) on or before the 15th day of the 4th month following the close of the taxable year.

When making a payment of withholding tax to the IRS under IRC Section 1446, a partnership must notify all foreign partners of their allocable shares of any IRC Section 1446 tax paid to the IRS by the partnership. The partners use this information to adjust the amount of estimated tax that they must otherwise pay to the IRS. The notification to the foreign partners must be provided within 10 days of the installment due date, or, if paid later, the date the installment payment is made. See Treas. Regs. Section 1.1446-3(d)(1)(i) for information that must be included in the notification and for exceptions to the notification requirement. For California withholding purposes, withholding agents should make a similar notification. No particular form is required for this notification. and it is commonly done on the statement

accompanying the distribution or payment. However, the withholding agent may choose to report the tax withheld to the payee on a Form 592-B.

Penalties

The withholding agent must furnish complete and correct copies of Form(s) 592-B to the recipient (payee) by the due date.

If the withholding agent fails to provide complete, correct, and timely Form(s) 592-B to the recipient (payee), the penalty per Form 592-B is:

- \$50 for each payee statement not provided by the due date.
- \$100 or 10 percent of the amount required to be reported (whichever is greater), if the failure is due to intentional disregard of the requirement.

Instructions for Recipient

This withholding of tax does not relieve you of the requirement to file a California tax return within three months and fifteen days (two months and fifteen days for a corporation) after the close of your taxable year.

You may be assessed a penalty if:

- You do not file a California tax return.
- You file your tax return late.
- The amount of withholding does not satisfy your tax liability.

How to Claim the Withholding

Report the income as required and enter the amount from Form 592-B, Part IV, line 2 on your California tax return as real estate and other withholding from Form(s) 592-B or 593. Attach a copy of Form 592-B to your California tax return. If you received a composite statement from a broker, attach only the Form 592-B information. Make a copy for your records

If you have an amount in line 3, backup withholding, you must provide us with your TIN before filing your tax return. Using the information provided on this page, contact us as soon as you receive this form. Failure to provide your TIN will result in a denial of your backup withholding credit.

If you are an S corporation, partnership, or LLC, you may either flow-through the entire amount to your shareholders, partners, or members or claim the withholding, to the extent of your outstanding tax liability, on your tax return.

If the withholding exceeds the amount of tax you still owe on your tax return, you must flow-through the excess to your shareholders, partners, or members.

If you do not have an outstanding balance on your tax return, you must flow-through the entire amount to your shareholders, partners, or members. Use Form 592 to flow the withholding to your partners or members.

If you are an estate or trust, you must flowthrough the withholding to your beneficiaries if the related income was distributed. Use Form 592 to flow-through the withholding to your beneficiaries. If you did not distribute the income, you must claim the withholding on the fiduciary return, Form 541, California Fiduciary Income Tax Return.

The amount shown as "Total income subject to withholding" may be an estimate or may only reflect how withholding was calculated. Be sure to report your actual taxable California source income. If you are an independent contractor or receive rents or royalties, see your contract and/or Form 1099 to determine your California source income. If you are an S corporation shareholder, partner, member, or beneficiary of an S corporation, partnership, LLC, estate, or trust, see your California Schedule K-1 (100S, 565, 568, 541), Share of Income, Deductions, Credits, etc., issued by that entity to determine your California source income.
