Form for entering Social Security Number

Use Schedule PIT-S ONLY if you have more than five federal qualifying dependent exemptions. If you have more than five federal dependent exemptions, enter the name, social security number (SSN), and date of birth of the first five qualifying dependents on 2013 Form PIT-1, line 8. For the remaining qualifying dependents on 2013 Schedule PIT-S, enter the name, SSN, and date of birth and attach the Schedule PIT-S to your 2013 Form PIT-1. Enter only qualifying dependent exemptions allowed on your federal return. Do not include yourself or, if filing a joint return, your spouse. New Mexico uses the same definitions and qualifications as the Internal Revenue Service to determine if someone is a qualified dependent. To determine who you may claim as a dependent exemption, see the instructions for federal Form 1040, 1040A, or 1040EZ or visit the IRS website at www.irs.gov.

Table with 3 columns: Column 1 (First name, Last name), Column 2 (Dependent's social security number), and Column 3 (Date of birth (MM/DD/CCYY)). Rows 6-20.

If you need additional space, attach multiple Schedules PIT-S.

Schedule PIT-S must be attached to Form PIT-1 or your additional exemptions will be denied.
