

Electric and Piped Natural Gas Monthly Tax Remittance

North Carolina Department of Revenue

An electric power company that is consistently liable for at least \$100.00 or more per month in franchise tax and all piped natural gas companies doing business in North Carolina must pay tax on a monthly basis. In addition, a taxpayer who is an electric company or a piped natural gas company and is consistently liable for at least \$20,000.00 a month in tax must prepay the next month's tax liability at the same time it pays the current month's liability. Payments for the current month are due the 20th day of the following month.

Prepayments are required to be made by electronic means and must equal at least 65% of either: (1) the amount of tax due for the current month; (2) the amount of tax due for the same month in the preceding year; or (3) the average monthly amount of tax due in the preceding calendar year.

Use blue or black ink to complete the voucher.
