## Changes affecting estates and trusts

Developments, updates, and items of interest relating to estate and trust income tax

### 2015 legislative changes

#### Income tax rates

For tax years 2015 and after, the income tax rates for estates and trusts were reduced by approximately 10 percent. The new tax rates—ranging from 1.10% to 2.90%—are reflected in the tax rate schedule on the 2015 Form 38, page 2, Tax Computation Schedule.

#### Withholding from nonresident beneficiary.

As a result of the income tax rate reduction, the amount of North Dakota income tax that a fiduciary for a trust must withhold from the distributive share of North Dakota income of its nonresident beneficiaries is reduced to 2.90%. The 2015 Form 38, Schedule BI, column 6, and its instructions have been revised to incorporate this change.

**Composite income tax.** As a result of the income tax rate reduction, the amount of North Dakota income tax that must be paid on a composite income tax return that a fiduciary for a trust files on behalf of its eligible nonresident beneficiaries is reduced to 2.90%. The 2015 Form 38, Schedule BI, column 7, and its instructions have been revised to incorporate this change.

#### Private school credit from a passthrough entity

For tax years 2015 and after, a trust is allowed an income tax credit equal to 50 percent of charitable contributions made to a nonprofit, private institution of primary, secondary, or higher education in North Dakota. A separate credit is allowed for contributing to each type of school—primary, secondary, or higher education. The trust must pass the credit through to its beneficiaries based on their respective interests in the trust. Three new lines have been added to Schedule K-1 (Form 38) on which the trust must enter a beneficiary's share of each type of credit—see the 2015 Schedule K-1, lines 22 through 24. For each type of credit received from a trust, the amount that a beneficiary may claim is limited to the lesser of the following:

- The amount of the credit received from the trust.
- 20 percent of the beneficiary's income tax (before credits) for the tax year.
- \$2,500

The amount of the credit in excess of the above limitation is not allowed in any tax year.

#### Qualified endowment income tax credit

The law governing the income tax credit for contributing to an endowment fund was revised to expand the definition of a qualified endowment fund to include one held by an organization that meets all of the following conditions:

- It is a tax-exempt charitable organization under federal income tax law.
- It is incorporated or established outside North Dakota and does not have a physical location in North Dakota.
- Its purpose is to support a hospital, nursing home, medical facility, or a facility providing any combination of these services that is physically located outside North Dakota but within 5 miles of a North Dakota city with a population of 5,000 or more that does not have a hospital.

#### Housing incentive fund credit

The income tax credit allowed for making a contribution to the North Dakota Housing Incentive Fund was extended to the 2015 and 2016 tax years. The credit equals the amount contributed to the fund. Upon receipt of a qualifying contribution from a taxpayer, the North Dakota Housing Finance Agency issues a tax credit certificate to the taxpayer, which the taxpayer must attach to the North Dakota income tax return to substantiate the credit. If the entire credit allowed for the tax year cannot be used, the unused portion may be carried over and used on subsequent years' returns for up to ten years. The taxpayer must make an adjustment on the North Dakota income tax return to increase taxable income by an amount equal to the reduction in federal taxable income attributable to the contribution.

### Other items to note

#### Credit for income tax paid to another state

As a result of the U.S. Supreme Court decision in *Maryland v. Wynne* issued on May 18, 2015, North Dakota's income tax credit for paying income tax to another state is expanded to include income tax paid to a local jurisdiction in another state. For this purpose, "state" means any of the other 49 U.S. states, the District of Columbia, and a U.S. territory. The treatment of income tax paid to a foreign country and its local jurisdictions is not altered by the *Wynne* decision, and therefore the credit is not allowed for income tax paid to a foreign country or its local jurisdictions. The 2015 Form 38, Schedule CR, and its instructions have been revised to incorporate this change.

If income tax was paid to a local jurisdiction in another state for a prior tax year and the time period in which to file a claim for refund for that tax year has not expired, an amended North Dakota income tax return may be filed to claim a refund of any overpaid income tax. The refund claim must be filed within three years from the due date of the original return or within three years from the date the original return was filed, whichever date is later. Include the income tax paid to a local jurisdiction on the same Schedule ND-1CR used for the other state in which the local jurisdiction is located. A copy of the income tax return filed with the local jurisdiction (or state, in some cases) must be attached to the amended North Dakota return.

## General instructions

### Who must file

#### Resident estate or trust

A fiduciary for a resident estate or trust must file a 2015 Form 38, *Fiduciary Income Tax Return*, if the fiduciary is required to file a 2015 Form 1041, *U.S. Income Tax Return for Estates and Trusts*.

A fiduciary for a resident estate or trust is generally subject to the same law provisions that apply to a resident individual. The entire income (loss) of a resident estate or trust is reportable to North Dakota regardless of its source. An estate or trust is considered a resident if it has a relationship to North Dakota that is sufficient to create nexus for income tax purposes. See N.D. Admin. Code § 81-03-02.1-04 for more information.

#### Nonresident estate or trust

A fiduciary for a nonresident estate or trust must file a 2015 Form 38, *Fiduciary Income Tax Return*, if both of the following apply:

- The fiduciary is required to file a 2015 Form 1041, *U.S. Income Tax Return for Estates and Trusts*.
- The estate or trust derived any gross income from North Dakota sources during the 2015 tax year.

A fiduciary for a nonresident estate or trust is generally subject to the same law provisions that apply to a nonresident individual. Only the portion of the nonresident estate's or trust's gross income from North Dakota sources is reportable to North Dakota.

For a nonresident estate or trust, gross income from North Dakota sources includes the following:

- Compensation, including unemployment compensation, received by an estate based on services performed in North Dakota by a decedent.

- Rental income from real and tangible personal property located in North Dakota.
- Royalties, bonus or lease payments, and other income from an interest in oil, gas, coal, or other minerals located in North Dakota.
- Gain from the sale, exchange, or other disposition of real and tangible personal property located in North Dakota.
- Income from a sole proprietorship, partnership, S corporation, or other trade or business carried on in North Dakota. This includes farming and ranching operations.
- Income from gambling activity carried on in North Dakota.
- Income from another estate or trust consisting of the same kinds of income listed above.

For a nonresident estate or trust, gross income from North Dakota sources generally does not include interest, dividends, pensions, annuities, or income and gain from intangible property. However, interest, dividends, gains, and other income from intangible property are included in gross income from North Dakota sources if derived from a trade or business carried on in North Dakota.

#### Grantor trust

A grantor trust that, in lieu of filing Form 1041, elects to use an alternative filing method prescribed by the federal income tax regulations is deemed to have a requirement to file Form 1041 for purposes of the North Dakota filing requirements.

#### Tax-exempt trust

A fiduciary for a trust that is tax-exempt under Internal Revenue Code § 501(a) must file a 2015 Form 38 if (1) the fiduciary is required to file a 2015 Form 1041 to report the trust's unrelated business taxable income, (2) the federal income tax is calculated using the tax rates applicable to a trust, and (3) the unrelated business taxable income is reportable to North Dakota. The unrelated business taxable income is reportable to North Dakota if the trust is a North Dakota resident trust or, in the case of a nonresident trust, the unrelated business taxable income has a source in North Dakota.

#### Bankruptcy estate

A fiduciary that is required to file a 2015 Form 38 for a bankruptcy estate must file it in a manner similar to how the 2015 Form 1041 is filed. Use Form 38 only as a transmittal form for Form ND-1, *Individual Income Tax Return*. In the top margin of Form ND-1, write "Attachment to Form 38." Complete and attach Form ND-1 to Form 38. Complete Items A through H at the top of Form 38. Enter on Form 38, page 1, line 7, the net tax liability from Form ND-1, page 2, line 25. Then complete lines 8 through 17 on page 1 of Form 38 as required.

#### When and where to file

The 2015 Form 38 must be filed on or before (1) April 15, 2016, if filing for the 2015 calendar year, or (2) the 15th day of the 4th month following the end of the tax year, if filing for a fiscal year beginning in the 2015 calendar year. If the due date falls on a Saturday, Sunday, or holiday, the return may be filed on or before the next day that is not a Saturday, Sunday, or holiday.

*Note: Use the 2014 Form 38 if filing for a fiscal year beginning in the 2014 calendar year.*

Mail Form 38 and all required attachments to:

Office of State Tax Commissioner  
600 East Boulevard Ave., Dept. 127  
Bismarck, ND 58505-0599

#### Extension of time to file

An extension of time to file Form 38 may be obtained in one of the following ways:

- Obtain a federal extension.
- Separately apply for a North Dakota extension.

**Federal extension.** If an extension of time to file Federal Form 1041 is obtained, it is automatically accepted as an extension of time to file Form 38. The length of the extension for North Dakota purposes is the same number of months as the federal extension. A separate North Dakota extension does not have to be applied for, nor does the Office of State Tax Commissioner have to be notified that a federal extension has been obtained prior to filing Form 38.

**North Dakota extension.** If a federal extension is not obtained, but additional time is needed to complete and file Form 38, a separate North Dakota extension may be applied for by filing Form 101, *Application for Extension of Time to File a North Dakota Tax Return*. This is not an automatic extension—there must be good cause to request a North Dakota extension. Form 101 must be postmarked on or before the due date of Form 38. Notification of whether the extension is accepted or rejected will be provided by the Office of State Tax Commissioner.

**Extension interest.** If Form 38 is filed on or before the extended due date, and any tax due is paid with the return, no penalty will be charged. Interest on the tax due will be charged at the rate of 12% per year from the original due date of the return to the earlier of the date the return is filed or the extended due date.

**Prepayment of tax due.** If an extension of time to file Form 38 is obtained, any tax expected to be due may be paid on or before the regular due date to avoid paying extension interest. For more information, including payment options, obtain the 2015 Form 38-EXT. Alternatively, a check or money order may be sent with a letter containing the following: (1) name of estate or trust; (2) last four digits of the estate's or trust's FEIN; (3) fiduciary's name, address and phone number; and (4) statement that the payment is a 2015 Form 38-EXT payment.

### Penalty and interest

The tax due must be paid by the due date (without extension) of Form 38 to avoid penalty and interest charges. However, if an extension of time to file Form 38 was obtained, the tax due may be paid by the extended due date of the return without penalty, but extension interest will apply—see “Extension interest” and “Prepayment of tax due” on this page.

If Form 38 is filed on or before its due date (or extended due date), but the tax due is not paid with the return, a penalty equal to 5% of the tax due or \$5.00, whichever is greater, must be paid.

If Form 38 is not filed on or before its due date (or extended due date), a penalty equal to 5% of the tax due or \$5.00, whichever is greater, for the month the return was due plus 5% of the tax due for each additional month (or fraction of a month) during which the return remains delinquent must be paid. This penalty may not exceed 25% of the tax due.

In addition to any penalty, interest must be paid at the rate of 1% per month (or fraction of a month), except for the month in which the tax was due, on any tax due that remains unpaid after the due date (or extended due date) of the return.

### Estimated tax requirement (for 2016)

A fiduciary for an estate or trust must pay estimated North Dakota income tax for the 2016 tax year if all four of the following conditions apply:

1. The fiduciary is required to pay estimated federal income tax for the 2016 tax year. This condition applies whether or not the fiduciary actually makes the required payment(s) of estimated tax to the Internal Revenue Service.
2. The North Dakota net income tax liability on the fiduciary's taxable income for the 2015 tax year (as shown on the 2015 Form 38, page 1, line 4) was equal to or more than \$1,000. *Note: If the fiduciary was not required to file a North Dakota income tax return for the 2015 tax year, the fiduciary's net tax liability is zero for purposes of this condition.*
3. The fiduciary expects to owe (after subtracting any estimated North Dakota income tax withholding) North Dakota income tax equal to or more than \$1,000 for the 2016 tax year. *Note: Do not include income tax withholding from nonresident individual beneficiaries or composite income tax in this estimation.*
4. The fiduciary expects North Dakota income tax withholding (other than income tax withholding from nonresident individual beneficiaries) for the 2016 tax year to be less than the smaller of:
  - a. 90% of the North Dakota net income tax liability on the fiduciary's taxable income for the 2016 tax year. *Note: Substitute 66 2/3% if a qualified farmer. See instructions for 2016 Form 38-ES.*
  - b. 100% of the North Dakota net income tax liability on fiduciary's taxable income for the 2015 tax year (as shown on the 2015 Form 38, page 1, line 4). *Note: If the estate or trust was not in existence for the entire 2015 tax year, this part does not apply; the 90% threshold in part a must be applied.*

In general, one-fourth (25%) of the total estimated tax required to be paid for the 2016 tax year must be paid by April 15, June 15, and September 15, 2016, and January 15, 2017. For more information, including payment options, obtain the 2016 Form 38-ES.

### Withholding from nonresident beneficiaries

A fiduciary for a trust must withhold North Dakota income tax at the rate of 2.90% from the year-end distributive share of North Dakota income of a nonresident beneficiary. Only a trust required to file Form 38 is subject to this requirement.

**Nonresident beneficiary.** For purposes of this withholding requirement, a nonresident beneficiary means:

- An individual who is not domiciled in North Dakota.
- A trust, including a grantor trust, that is not organized under North Dakota law. This only applies to trusts that are subject to income tax.
- A passthrough entity that has a commercial domicile outside North Dakota. A passthrough entity includes a partnership, S corporation, limited liability company treated like a partnership or S corporation, and any other similar entity.

**Exemption from withholding.** No withholding is required if any of the following apply:

- The distributive share of North Dakota income is less than \$1,000.
- The nonresident beneficiary elects to include the distributive share in a composite filing—see “Composite filing” on page 4.
- The nonresident beneficiary is a passthrough entity and elects exemption from withholding on its distributive share of North Dakota income. For more information, obtain Form PWE.

**Withholding procedure.** This withholding requirement applies to a nonresident beneficiary's year-end distributive share of North Dakota income, which is determined at the end of the trust's tax year and reported on Form 38, Schedule BI, Column 5. The requirement does not apply to actual distributions made to a nonresident beneficiary during the tax year. The withholding amount is calculated and reported on Schedule BI, Column 6. If a nonresident

beneficiary meets certain conditions, an amount less than the amount calculated at the 2.90% tax rate may be withheld. For the qualifying conditions, see Form PWA. A fiduciary must submit a payment for the total amount of withholding reported on Schedule BI, Column 6, with Form 38 when it is filed.

### Composite filing

A composite filing method is available to a fiduciary for a trust with one or more eligible nonresident beneficiaries. Under this method, a fiduciary calculates the North Dakota income tax on an eligible nonresident beneficiary's year-end distributive share of North Dakota income and pays the tax with Form 38. The tax is calculated at the highest individual income tax rate (which is 2.90% for the 2015 tax year), and no adjustments, deductions, or tax credits are allowed in calculating the tax. A composite filing satisfies the North Dakota income tax filing and payment obligations of the eligible nonresident beneficiaries included in it, which means they do not have to separately file their own North Dakota income tax returns. The composite filing method is optional and does not require prior approval from the Office of State Tax Commissioner, and a choice to use it may be made on a year-to-year basis.

**Eligible nonresident beneficiary.** For purposes of this composite filing method, a nonresident beneficiary has the same meaning as that used for withholding income tax from nonresident beneficiaries—see “Withholding from nonresident beneficiaries” on page 3. A nonresident beneficiary is eligible to be included in a composite filing if both of the following apply:

- The nonresident beneficiary's only source of income within North Dakota is one or more passthrough entities. A passthrough entity includes a trust, partnership, S corporation, limited liability company treated like a partnership or S corporation, and any other similar entity.
- The nonresident beneficiary elects to be included in a composite filing. An election is indicated by the fiduciary's calculation and reporting of a tax amount for the nonresident beneficiary on Form 38, Schedule BI, Column 7. (If the distributive share is a loss, the tax is zero.

The distributive share of North Dakota income included in a composite return is subject to tax even if it is under \$1,000.

### Composite filing method procedure.

The tax under the composite filing method is calculated and reported on Form 38, Schedule BI, Column 7. A fiduciary must submit a payment for the total tax amount reported on Schedule BI, Column 7, with Form 38 when it is filed.

### Correcting a previously filed return

If a fiduciary needs to correct an error on Form 38 after it is filed, the fiduciary must file an amended return. There is no special form for this purpose. See “How to prepare an amended 2015, return” below.

If a fiduciary paid too much tax because of an error on the 2015 Form 38, the fiduciary generally has three years from the due date (excluding extensions) of the return or the date the return was actually filed, whichever is later, in which to file an amended return to claim a refund of the overpayment. See N.D.C.C. § 57-38-40 for other time periods that may apply.

### How to prepare an amended 2015 return

1. Obtain a blank 2015 Form 38.
2. Enter the name of the estate or trust, and the fiduciary's name, current address, FEIN, etc., in the top portion of page 1 of Form 38.
3. Fill in the “Amended return” circle at the top of page 1 of Form 38.
4. Complete the Tax Computation Schedule and Schedule BI using the corrected information. However, unless there is an increase in the amount reported on Schedule BI, Column 5, of the amended return, enter on Schedule BI, Column 6, the same amount reported on the previously filed return. Also complete Schedule CR, if applicable. Then complete lines 1 through 7 on page 1 of Form 38.
5. Leave line 8 on page 1 of Form 38 blank unless claiming an additional amount not previously claimed.
6. On line 9 of page 1 of Form 38, enter the total taxes due from the previously filed 2015 Form 38, page 1, line 7. If the total taxes due have not been fully paid, only enter the amount paid.
7. Complete lines 10 through 16 of page 1 of Form 38. If there is an overpayment on line 11, enter the full amount on line 13. On an amended return, the amount credited to the next year's estimated tax (line 12) may not be increased or decreased.

8. Attach a statement explaining the reason(s) for filing the amended return. If it is because of changes the fiduciary or the Internal Revenue Service (IRS) made to the 2015 Federal Form 1041, attach a copy of the amended federal return or IRS notice.
9. Complete and provide a corrected North Dakota Schedule K-1 to the beneficiaries, as required.

### Reporting federal changes

If the Internal Revenue Service (IRS) changes Federal Form 1041, or if a fiduciary files an amended Federal Form 1041, an amended North Dakota Form 38 must be filed within ninety days after the final determination of the IRS changes or the filing of the amended federal return. Enclose a copy of the IRS audit report or the amended federal return with the amended North Dakota Form 38.

### W-2/1099 reporting requirement

Every fiduciary that is required to file Federal Form 1099 or W-2 may also have to file one with the Office of State Tax Commissioner. For more information, obtain the document *Income Tax Guideline: Information Returns*.

### Use of information

All of the information on Form 38 and its attachments is confidential by law and cannot be given to others except as provided by state law. Information about the beneficiaries is required under state law so the Office of State Tax Commissioner can determine the beneficiary's correct North Dakota taxable income and verify if the beneficiary has filed a return and paid the tax.

## General instructions for completing Form 38

### Complete Form 38 as follows:

1. Complete Federal Form 1041 in its entirety.
2. Complete Items A through H at the top of page 1 of Form 38—see page 5 of these instructions.
3. Complete the Tax Computation Schedule on page 2 of Form 38—see page 5 of these instructions.

4. Complete Schedule BI on page 3 of Form 38—see page 7 of these instructions.
5. Complete lines 1 through 17 on page 1 of Form 38—see page 9 of these instructions.
6. Complete Schedule K-1, if required, for the beneficiaries—see page 11 of these instructions.

**Rounding of numbers.** Numbers may be entered on the return in dollars and cents, or they may be rounded to the nearest whole dollar. If rounding, drop the cents if less than 50 cents and round up to the next whole dollar amount if 50 cents or higher. For example, \$25.36 becomes \$25.00, and \$25.50 becomes \$26.00.

**Fiscal year filers.** The tax year for North Dakota income tax purposes must be the same as the tax year used for federal income tax purposes. Use the 2015 Form 38 if the estate's or trust's taxable year began in the 2015 calendar year. *Note: Use the 2014 Form 38 if the taxable year began in the 2014 calendar year.*

## Specific line instructions for page 1 of Form 38, Items A-H

#### Line 2 Additions

The following items must be entered on this line if taxable to the fiduciary:

- Taxable portion of a lump-sum distribution from Federal Form 4972, line 6 plus line 10. This adjustment does not apply to a fiduciary for a nonresident estate or trust.
- Loss adjustment reported to the fiduciary by an S corporation that elected taxation under N.D.C.C. § 57-38-01.35. #### **Nonprofit private school tax credits.**

Tax credits are allowed under N.D.C.C. § 57-38-01.7 for making charitable contributions to qualifying nonprofit private primary, secondary, and higher education schools located in North Dakota. A separate credit is allowed for each of the three categories of school—primary, secondary, and higher education. For each category of school, the credit equals 50% of the contributions made to all eligible schools within the category. (*Note: Except for a beneficiary that is a partnership or other passthrough entity, additional limitations on the allowable credit apply at the beneficiary level.*) The estate or trust may elect, on a contribution by contribution basis, to treat the contribution as having been made during the 2015 tax year if it is made on or before the due date, including extensions, for filing the 2015 Form 38. **For a list of the eligible schools within each of the three categories of schools, see the table on page 13 of this booklet.**

To qualify, a contribution must be made directly to, or specifically designated for the exclusive use of, a qualifying school. If a contribution is made to an account or fund that benefits both qualifying and nonqualifying schools, the contribution will qualify only if the donor specifically designates it for the exclusive use of a qualifying school and the account or fund separately accounts for the funds on behalf of the qualifying school. The donor must obtain a statement from the administrator of the account or fund that identifies the qualifying school and shows the amount contributed to it.

If a contribution is made to a qualifying school that provides education in one or more grades in both the primary school category (kindergarten through 8th grades) and the secondary school category (9th through 12th grades), a separate credit is allowed for the portion of the contribution designated for the exclusive use of each school category. The donor must obtain a statement from the qualifying school that identifies the qualifying school and shows the amount contributed to each category of school. If the donor does not, or is unable to, obtain a statement showing how the contribution is allocated to each category of school, one-half of the total contribution will be deemed to have been made to each category of school.

A credit based on a contribution made by an estate or trust must be passed through to its beneficiaries according to their respective interests in the estate or trust. If an estate or trust receives a North Dakota Schedule K-1 showing a nonprofit private primary school, high school, or college credit, for each type of credit received enter the lesser of (1) the credit from the North Dakota Schedule K-1, (2) 20% of the tax on Form 38, page 1, line 1, or (3) \$2,500.

The amount applied may not be changed after the return is filed. If this is an amended return, do not make an entry on this line.

#### **Line 14 Tax due**

A tax due must be paid in full with the return when it is filed. See the instructions to line 16 for payment options. A late payment of tax may be subject to penalty and interest charges—see “Penalty and interest” on page 3.

#### **Line 15 Penalty and interest**

The Office of State Tax Commissioner will notify the fiduciary of any penalty and interest owed for late filing or late payment, or interest owed on tax due during an extension period. However, if desired, the fiduciary may calculate these amounts and enter them on this line, and submit payment for them with the return. See “Penalty and interest” on page 3 for how to calculate these amounts.

#### **Line 16 Balance due**

The balance due must be paid in full with the return. The payment may be made electronically in one of the following ways.

- **Electronic funds transfer**—A payment may be made by means of an Automated Clearing House (ACH) credit transaction that the taxpayer initiates through its banking institution.

For more information and to make an electronic payment, go to our website at [www.nd.gov/tax](http://www.nd.gov/tax).

If paying by check or money order, make it payable to “ND State Tax Commissioner,” and write the last four digits of the federal employer identification number and “2015 Form 38” on the check or money order. A check must be drawn on a U.S. or Canadian bank, be in U.S. dollars, and use a standard 9-digit routing number. A check drawn on a foreign bank (except one in Canada) cannot be accepted.

#### **Line 17 Interest on underpaid estimated tax**

If the fiduciary for an estate or trust was required to pay estimated North Dakota income tax for 2015, but the fiduciary did not pay enough or paid it late, interest is charged on the underpayment or late payment. To determine if interest is owed, obtain and complete Schedule 38-UT.

# Instructions for completing Schedule K-1

North Dakota Schedule K-1 (Form 38) must be used by a fiduciary to provide its beneficiaries with information they will need to complete a North Dakota income tax return. The information to be included in the schedule will depend on the type of beneficiary.

North Dakota Schedule K-1 (Form 38) must be completed and given to:

- Each beneficiary to whom the fiduciary distributes a share of a North Dakota adjustment or tax credit (which is reportable in Part 3 of North Dakota Schedule K-1).
- Each nonresident individual, estate, or trust beneficiary for which the fiduciary is required to report an amount on Schedule BI, Column 5.

A North Dakota Schedule K-1 does not have to be completed nor given to a partnership, corporation, or North Dakota resident individual, estate, or trust beneficiary if there are no North Dakota adjustments or tax credits distributable to the beneficiary.

In addition to the North Dakota Schedule K-1, the fiduciary must provide the beneficiary with a copy of the *Beneficiary's Instructions to North Dakota Schedule K-1 (Form 38)*.

A copy of all North Dakota Schedule K-1 forms must be enclosed with Form 38 along with any required supplemental statements.

**Amended schedule.** If a fiduciary files an amended Federal Form 1041, or if the IRS makes any changes to the federal fiduciary return, the fiduciary must file an amended Form 38 for the same tax year and issue amended North Dakota Schedules K-1 to its beneficiaries. Fill in the "Amended" circle at the top of the North Dakota Schedule K-1.

## Before you file Form 38

### Signatures

The return must be signed and dated by the fiduciary, or an authorized representative of the fiduciary.

If the fiduciary pays someone (other than an employee) to prepare the return, the paid preparer also must sign and date the return.

### Preparer authorization check-off

The fiduciary may authorize the North Dakota Office of State Tax Commissioner (Tax Department) to discuss matters pertaining to its 2015 Form 38 with the preparer who signed it by filling in the circle to the right of the signature area.

This allows the Tax Department to contact the preparer if any questions arise during the processing of the return. It also allows the preparer to respond to the questions and to provide any information missing from the return, to contact the Tax Department to inquire about the status of the return's processing and related refund or payment, and to respond to Tax Department notices that the fiduciary shares with the preparer pertaining to math errors or return preparation. *(Tax Department notices will be sent only to the fiduciary.)*

This authorization applies only to the individual whose signature and printed name appears in the paid preparer section of the signature area. It does not apply to the firm, if any, shown in that section. It only applies to the 2015 return and automatically expires on the due date (including extensions) for filing the 2016 Form 38.

This authorization does not authorize the preparer to receive a refund check, bind the fiduciary in any way (including any additional tax liability), or represent the fiduciary before the Tax Department for any other purpose.

### Assembling a paper return

Please assemble Form 38 and its required attachments in the following order:

1. Form 38.
2. Tax Computation Schedule
3. Schedule BI.
4. North Dakota Schedule K-1 forms.
5. Required supporting statements.
6. Complete copy of Form 1041, including Federal Schedule K-1 forms.

A balance due may be paid electronically (see page 10 of these instructions). If paying by check or money order, enclose it with the return. Do not staple documents together.

## Beneficiary's Instructions for North Dakota Schedule K-1 (Form 38)

### Purpose of form

North Dakota Schedule K-1 (Form 38) is a supplemental schedule provided by a fiduciary of an estate or trust to its beneficiaries. It provides information the beneficiaries may need to complete their North Dakota income tax returns.

### Resident individual, estate, or trust beneficiary.

If you are a North Dakota resident individual, estate, or trust, your entire distributive share of income from the estate or trust is subject to North Dakota income tax. North Dakota Schedule K-1 was issued to you only to show your distributive share of the estate's or trust's North Dakota statutory adjustments and tax credits that may affect your North Dakota income tax return. See Part 3 of the schedule.

### Nonresident individual, estate, or trust beneficiary.

If you are a nonresident individual, estate, or trust, only the portion of your distributive share of income from the estate or trust that is derived from North Dakota sources is subject to North Dakota income tax. North Dakota Schedule K-1 was issued to you to show your distributive share of the following items:

- North Dakota income, gains, losses, and deductions. See Part 4 of the schedule.
- North Dakota statutory adjustments and tax credits. See Part 3 of the schedule.
- North Dakota income tax withheld from your distributive share of North Dakota income. See Part 5 of the schedule.
- North Dakota income tax paid on your distributive share of North Dakota income in a composite filing. See "Composite filing election" under "General instructions" and Part 5 of the schedule.

### Partnership or corporation beneficiary.

If you are a partnership, C corporation, S corporation, or a limited liability company treated like a partnership or corporation, North Dakota Schedule K-1 was issued to you only to show your distributive share of North Dakota statutory adjustments and tax credits. See Part 3 of the schedule.

If you are a partnership, S corporation, or a limited liability company treated like a partnership or S corporation, and if your commercial domicile is located outside North Dakota, the schedule may also show your distributive share of the following items:

- North Dakota income subject to North Dakota income tax withholding. See Part 5 of the schedule.

- North Dakota income tax withheld from your distributive share of North Dakota income. See Part 5 of the schedule.
- North Dakota income tax paid on your distributive share of North Dakota income in a composite filing. See "Composite filing election" under "General instructions" and Part 5 of the schedule.

### General instructions

These instructions explain where to report the information from Schedule K-1 (Form 38) on the North Dakota income tax return.

**Tax year.** References to a North Dakota form and line number contained in these instructions are references to the form in use for the 2015 calendar year. However, if you file your return on a calendar year basis, but the estate or trust files its return on a fiscal year basis, report the amounts on your return for the year in which the estate's or trust's fiscal year ends. For example, if the estate or trust has a fiscal year ending in February 2016, report the amounts from the 2015 Schedule K-1 (Form 38) on your 2016 tax return. The estate's or trust's tax year is shown at the top of the schedule.

**Composite filing election.** If Item H in Part 2 of Schedule K-1 (Form 38) is checked "Yes," you elected to include your distributive share of North Dakota income in a composite filing by the fiduciary. Ignore any amounts shown in Parts 3 through 5 of Schedule K-1 (Form 38); they are not applicable if you elected to be included in a composite filing. The income tax paid on your behalf by the fiduciary under the composite filing method satisfies your North Dakota income tax filing and payment obligations with respect to your North Dakota distributive share of income from the estate or trust. The North Dakota distributive share of income and composite income tax paid, as shown in Part 5 of Schedule K-1 (Form 38), are provided only for your information. If you later choose to revoke your composite filing election and file your own North Dakota income tax return, follow the instructions to Parts 3 through 5 to transfer the amounts from Schedule K-1 (Form 38) to your return.

**Amended Schedule K-1 (Form 38).** If you receive an amended North Dakota Schedule K-1 (Form 38) from the fiduciary for the estate or trust, you generally must file an amended North Dakota income tax return to report the revised information, in which case a copy of the amended Schedule K-1

(Form 38) must be attached to your amended North Dakota income tax return. If you previously elected to include your distributive share of North Dakota income in a composite filing, and you are not changing that election, you generally do not have to take any action and should retain the amended Schedule K-1 (Form 38) for your tax records.

If the full amount of any item is not included in your adjusted gross income on your federal income tax return because of limitations on the deductibility of a passive activity loss, capital loss, section 179 deduction, or for any other reason, enter on your North Dakota return only that portion of the item included in your federal adjusted gross income.

**2015****Beneficiary's Instructions for North Dakota Schedule K-1 (Form 38)****Purpose of form**

North Dakota Schedule K-1 (Form 38) is a supplemental schedule provided by a fiduciary of an estate or trust to its beneficiaries. It provides information the beneficiaries may need to complete their North Dakota income tax returns.

**Resident individual, estate, or trust beneficiary.**

If you are a North Dakota resident individual, estate, or trust, your entire distributive share of income from the estate or trust is subject to North Dakota income tax. North Dakota Schedule K-1 was issued to you only to show your distributive share of the estate's or trust's North Dakota statutory adjustments and tax credits that may affect your North Dakota income tax return. See Part 3 of the schedule.

**Nonresident individual, estate, or trust beneficiary.**

If you are a nonresident individual, estate, or trust, only the portion of your distributive share of income from the estate or trust that is derived from North Dakota sources is subject to North Dakota income tax. North Dakota Schedule K-1 was issued to you to show your distributive share of the following items:

- North Dakota income, gains, losses, and deductions. See Part 4 of the schedule.
- North Dakota statutory adjustments and tax credits. See Part 3 of the schedule.
- North Dakota income tax withheld from your distributive share of North Dakota income. See Part 5 of the schedule.
- North Dakota income tax paid on your distributive share of North Dakota income in a composite filing. See "Composite filing election" under "General instructions" and Part 5 of the schedule.

**Partnership or corporation beneficiary.**

If you are a partnership, C corporation, S corporation, or a limited liability company treated like a partnership or corporation, North Dakota Schedule K-1 was issued to you only to show your distributive share of North Dakota statutory adjustments and tax credits. See Part 3 of the schedule.

If you are a partnership, S corporation, or a limited liability company treated like a partnership or S corporation, and if your commercial domicile is located outside North Dakota, the schedule may also show your distributive share of the following items:

- North Dakota income subject to North Dakota income tax withholding. See Part 5 of the schedule.

- North Dakota income tax withheld from your distributive share of North Dakota income. See Part 5 of the schedule.
- North Dakota income tax paid on your distributive share of North Dakota income in a composite filing. See "Composite filing election" under "General instructions" and Part 5 of the schedule.

**General instructions**

These instructions explain where to report the information from Schedule K-1 (Form 38) on the North Dakota income tax return.

**Tax year.** References to a North Dakota form and line number contained in these instructions are references to the form in use for the 2015 calendar year. However, if you file your return on a calendar year basis, but the estate or trust files its return on a fiscal year basis, report the amounts on your return for the year in which the estate's or trust's fiscal year ends. For example, if the estate or trust has a fiscal year ending in February 2016, report the amounts from the 2015 Schedule K-1 (Form 38) on your 2016 tax return. The estate's or trust's tax year is shown at the top of the schedule.

**Composite filing election.** If Item H in Part 2 of Schedule K-1 (Form 38) is checked "Yes," you elected to include your distributive share of North Dakota income in a composite filing by the fiduciary. Ignore any amounts shown in Parts 3 through 5 of Schedule K-1 (Form 38); they are not applicable if you elected to be included in a composite filing. The income tax paid on your behalf by the fiduciary under the composite filing method satisfies your North Dakota income tax filing and payment obligations with respect to your North Dakota distributive share of income from the estate or trust. The North Dakota distributive share of income and composite income tax paid, as shown in Part 5 of Schedule K-1 (Form 38), are provided only for your information. If you later choose to revoke your composite filing election and file your own North Dakota income tax return, follow the instructions to Parts 3 through 5 to transfer the amounts from Schedule K-1 (Form 38) to your return.

**Amended Schedule K-1 (Form 38).** If you receive an amended North Dakota Schedule K-1 (Form 38) from the fiduciary for the estate or trust, you generally must file an amended North Dakota income tax return to report the revised information, in which case a copy of the amended Schedule K-1

(Form 38) must be attached to your amended North Dakota income tax return. If you previously elected to include your distributive share of North Dakota income in a composite filing, and you are not changing that election, you generally do not have to take any action and should retain the amended Schedule K-1 (Form 38) for your tax records.

**Specific Instructions****Part 3****All beneficiaries—North Dakota adjustments and tax credits**

Except for a nonresident beneficiary who elected to be included in a composite filing, the information in Part 3 of Schedule K-1 (Form 38) applies to all beneficiaries.

The following lists show where to enter an amount from Part 3 of Schedule K-1 (Form 38) on the North Dakota income tax return. Use the list that applies to your return. "Not applicable" in the right-hand means that the item does not apply and should not be entered on the return.
