SC8736 INSTRUCTIONS

A. WHO MAY FILE: This application can be used by the following:

1. a partnership filing an SC1065
2. a fiduciary filing an SC1041

Mark the appropriate box on the front of this form to indicate the type of extension being requested.

If you estimate that your SC income tax return will show a tax balance due, you are required to file a SC extension form and pay all taxes due by the due date of the return. To avoid the failure to pay penalty, you must pay at least 90% of the tax due by this date.

This form extends the time allowed for filing a return for up to 5 1/2 months for fiduciary returns and 6 months for partnership returns from the original due date. Requests for additional extensions of time are not granted.

NOTE: In order to obtain an extension of time to file a composite SC1040 return, one SC4868 must be submitted in the name and Federal Employer Identification Number (FEIN) of the entity.

REMINDERS:

- See SC1065 and instructions for information on the requirement by partnerships to pay withholding tax on South Carolina taxable income of nonresident partners.
- Only a refund of the Refundable Motor Fuel Income Tax Credit can be issued from the SC1065. An overpayment from any other source must be claimed and refunded at the partner(s)' level.

B. WHEN TO FILE: File this application ON OR BEFORE March 15th for partnership returns or April 15th for fiduciary returns, or before the original due date of your fiscal year return. If the due date for filing your return falls on a Saturday, Sunday, or legal holiday, substitute the next regular working day.

C. HOW TO FILE: Pay online by credit card or electronic check using our free tax portal, MyDORWAY, at dor.sc.gov/pay. Select Business Income Tax Payment to get started. Do not submit the SC8736 if you pay online. If filing by paper, mail the original SC8736 to the SC Department of Revenue at the appropriate address as shown on the front of this form and pay the amount on line 3. Retain a copy of this form for your records. Your tax return may be filed any time prior to the expiration of the extension. When you file your SC1065 or SC1041, check the extension box on the front of the return.

D. HOW TO CLAIM CREDIT FOR PAYMENT MADE WITH THIS APPLICATION ON YOUR RETURN: Show the amount paid with this application on the appropriate line of your tax return.

E. COMPUTE AMOUNT DUE WITH EXTENSION:

LINE 1. Enter the amount of income tax you expect to owe for the current tax year (the amount you expect to enter on the tax return, when you file). Be sure to use good judgement in estimating the amount you owe. To avoid the failure to pay penalty, you must pay at least 90% of the tax due by the due date of the return, and pay the balance due when you file your return within the extended time period.

LINE 2. Enter total payments and credits.

LINE 3. An extension of time to file your tax return will NOT extend the time to PAY your income tax. Therefore, you must PAY IN FULL the amount of income tax shown on line 3. Pay online by credit card or electronic check using our free tax portal, MyDORWAY, at dor.sc.gov/pay. Select Business Income Tax Payment to get started. Do not submit the SC8736 if you pay online. If filing by paper, make your check payable to the "SC Department of Revenue". Write your FEIN and enter the tax year followed by SC8736 on the payment. **Staple payment to the front of this form in the indicated area.**

F. INTEREST AND PENALTY FOR FAILURE TO PAY TAX: The extension of **time** to file your South Carolina tax return granted by this application **DOES NOT extend the time for payment of tax.** Any unpaid portion of the final tax due will bear interest at the prevailing federal rates. This amount is computed from the original due date of the tax return to the date of payment. In **addition** to the interest, a penalty at the rate of 0.5% per month to maximum of 25% must be added when the amount remitted with the extension fails to reflect at least 90% of the tax due by the due date. The penalty will be imposed on the difference between the amount remitted with the extension and the tax to be paid for the period.
