Purpose: Use this form to amend a previously-filed 2019 Connecticut income tax return for individuals. This form may not be used to amend any other year's return. **Do not** use this form to amend **Form CT-1041** or **Form CT-1065/CT-1120SI**.

Please note that each form is year specific. To prevent any delay in processing your return, the correct year's form **must** be submitted to DRS. Do not use staples.

Visit the Department of Revenue Services **Taxpayer Service Center** (*TSC*) at **portal.ct.gov/TSC** to file Form CT-1040X online.

If you were required to file an amended return, but failed to do so, a penalty may be imposed. Interest will also be assessed on any additional Connecticut income tax not paid on or before the due date.

If you are filing Form CT-1040X due to federal or another state's changes or corrections to your federal or other state's income tax return, you must check the box labeled *Federal or state changes* and enter the date of the final determination on Page 1.

Generally, your filing status must match your federal income tax filing status for the year. However, when one spouse is a Connecticut resident or a nonresident and the other spouse is a part-year resident, each spouse who is required to file a Connecticut income tax return must file as married filing separately. When one spouse is a Connecticut resident and the other is a nonresident, each spouse who is required to file a Connecticut income tax return must file as married filing separately, unless they file jointly for federal income tax purposes and they elect to be treated as if both were Connecticut residents for the entire taxable year. See Special Rules for Married Individuals in the online instructions to Form CT-1040 or Form CT-1040NR/PY.
