Identification number of filing entity

### General Instructions

In a partnership having one or more nonresident partners, the managing partner is responsible for reporting the share of the income and paying the tax due for each nonresident partner. However, if the nonresident partner is not an individual or grantor trust, the managing partner is not required to pay the tax on that partner's share of the partnership income provided the partner signs this **Nonresident Partner Affirmation** affirming that the partner will pay the tax with its corporation, partnership, trust or estate income tax return. This form must be attached to the original partnership return when it is filed. The signed Form NC-NPA applies to the original return, any amended returns for that year, and any proposed assessments of additional tax for that year. Payment of the tax due by the managing partner on behalf of corporations, partnerships, trusts or estates that are partners does not relieve the partner from filing a North Carolina tax return.
