General Information

Complete this form in blue or black ink only. Do not use staples. Please note that each form is year specific. The correct year's form **must** be used.

Use **Form CT-1120HS** to claim the Historic Structures Rehabilitation tax credit available under Conn. Gen. Stat. § 10-416a to owners rehabilitating certified historic structures for residential use. The Historic Structures Rehabilitation tax credit is administered by the Department of Economic and Community Development (DECD). The credit may only be claimed if a tax credit voucher has been issued by DECD.

This credit may be applied against the taxes administered under Chapters 207 (Insurance Companies and Health Care Centers Taxes), 208 (Corporation Business Tax), 209 (Air Carriers Tax), 210 (Railroad Companies Tax), 211 (Community Antenna Television Systems Tax), or 212 (Utility Companies Tax) of the Connecticut General Statutes. The tax credit may be claimed in the year in which the substantially rehabilitated certified historic structure is placed in service. In the case of projects completed in phases, the tax credit shall be prorated to the substantially rehabilitated identifiable portion of the building placed in service.

Any owner allowed this tax credit may assign the credit to any individual or entity. An assignee must claim the credit in the same year that the assignor would have been eligible to claim the credit. An assignee may not further assign the tax credit.

Credit Computation

Prior to any rehabilitation work taking place, the owner must submit a rehabilitation plan to DECD along with an estimate of the qualified expenditures. DECD will certify the plan and reserve credits equal to 25% of the projected expenditures, not to exceed \$2.7 million. Upon completion of the project, DECD verifies the owner's compliance with the rehabilitation plan and issues a credit voucher to the owner rehabilitating the certified historic structure or to the taxpayer named by the owner as contributing to the rehabilitation.

Carryforward/Carryback

Any remaining credit balance that exceeds the credit applied may be carried forward for five income years. No carryback is allowed.
