\* Generally, a Maine resident is an individual (1) who was domiciled in Maine for the entire tax year; or (2) who maintained a permanent place of abode in Maine for the entire tax year and spent a total of more than 183 days in Maine. For a more comprehensive description of Maine residency, see the Guidance to Residency Status document at [www.maine.gov/revenue/tax-return-forms](http://www.maine.gov/revenue/tax-return-forms) (select Income Tax Guidance Documents).

\*\* Maine relies on federal rules for determining dependency. Generally, an individual must pay more than 50% of your support to claim you as a dependent for individual income tax purposes. Other rules apply. For more information, see federal Form 1040 instructions available at [www.irs.gov/forms-instructions](http://www.irs.gov/forms-instructions).
