Lines 7–27

Refer to the 2021 Corporation Franchise Tax Return (Form M4) instructions for details.

Lines 7, 8, 20, 21, 22, 26, and 27. If you are changing any amounts on these lines, you must attach a corrected copy of the appropriate schedule.

Lines 14, 15, 20, 21, and 22. Changes to your regular franchise tax on line 11 and/or alternative minimum tax on line 12 may also affect the amount you are able to claim of any credits against tax (alternative minimum tax credit, research credit, film production tax credit, tax credit for owners of agricultural assets, and employer transit pass credit).

Line 28

Minnesota requires backup withholding to be made when the payee is subject to federal backup withholding on reportable payments made for personal services. (IRC section 3406). Corporations are not subject to backup withholding for certain types of payments, including:

- interest and dividends
- broker transactions
- royalty payments

The Minnesota backup withholding is equal to the payment multiplied by the highest Minnesota tax rate for corporations. Report the taxpayer's backup withholding on line 28 of Form M4X.

Include a copy of the federal Form 1120X, Form 1120, Form 1099, Schedule KPI, Schedule KS or other documentation showing the amount withheld. If the documentation is not included with your Form M4X, the department will disallow the amount and assess the tax or reduce your refund.

Line 30

Enter the total of the following tax amounts, whether or not paid:

- amount from line 11 of your original M4
- amount due of a previously filed Form M4X
- additional tax due as the result of an audit or notice of change

Do not include any amounts that were paid for penalty, interest or underpayment of estimated tax.

Line 32

Enter the total of the following refund amounts:

- overpayment from line 16 of your original M4, even if you have not yet received it
- refund amount of a previously filed Form M4X
- refund or reduction in tax from a protest or other type of audit adjustment

Include any amount that was credited to estimated tax, applied to pay past due taxes or donated to the Minnesota Nongame Wildlife Fund.

Do not include any interest that may have been included in the refunds you received.

Lines 35 and 40

Lines 35 and 40 should reflect the changes to your tax and/or credits as reported on lines 1 through 27 of Form M4X. If you have unpaid taxes on your original Form M4, Form M4X is not intended to show your corrected balance due.

Line 35

If line 33 is a negative amount, treat it as a positive amount and add it to line 34. Enter the result on line 35. This is the amount you owe, which is due when you file your amended return. You *cannot* use any funds in your estimated tax account to pay this amount. Continue with line 36.

Line 36

If only one of the penalties below applies, you must multiply line 35 by 10% (0.1). If both penalties apply, multiply line 35 by 20% (0.2). Enter the result on line 36.

2021 Form M4X Instructions (Continued)

- The IRS assessed a penalty for negligence or disregard of rules or regulations
- You failed to report federal changes to the department within 180 days as required

Line 38

Interest is calculated as simple interest and accrues on unpaid tax and penalties from the regular due date until it is paid in full. Use the formula below with the appropriate interest rate:

$$\text{Interest} = \text{line 37} \times \text{number of days past the due date} \times \text{interest rate} \div 365$$

The interest rate is determined each October for the following calendar year. The rate for 2022 is 3%. Rates for years after 2022 will be available on our website.

If the days fall in more than one calendar year, you must determine the number of days separately for each year.

Penalty will be assessed if the additional tax and interest are not paid with the amended return.

Line 39

If your estimated tax payments during the last 12-month period ending June 30 totaled \$10,000 or more, you are required to make **all** tax payments electronically starting January 1 of the following year. Once you meet the electronic payment threshold, you are required to pay electronically for all future periods.

You must also pay electronically if you're required to pay *any* Minnesota business tax electronically, such as sales or withholding tax. If you are required to pay electronically and do not, an additional 5% penalty applies to payments not made electronically, even if a paper check is sent on time.
