What's New

The user fees were updated by Rev. Proc. 2011-8, 2011-1 I.R.B. 237, corrected by Announcement 2011-8, 2011-5 I.R.B. 446.

Instructions

(Section references are to the Internal Revenue Code unless otherwise noted.)

Generally, a user fee is required with each application for a determination letter. The user fees are shown on page 1. For more information, see Rev. Proc. 2011-6, 2011-1 I.R.B. 195.

Effective Date

The user fee schedule in Form 8717 is effective for opinion, advisory, and determination letter applications postmarked after January 31, 2011.

Exemption from User Fee

The exemption from the user fee applies to all eligible employers (defined below) who request a determination letter within the first 5 plan years or, if later, the end of any remedial amendment period with respect to the plan that begins within the first 5 plan years.

A determination letter application that is filed by an eligible employer after January 31, 2011, meets the requirements for exemption if:

- (1) the application is filed no later than the last day of the submission period for the plan's current remedial amendment cycle under Rev. Proc. 2007-44, and
- (2) the plan was first in effect no earlier than January 1 of the tenth calendar year immediately before the year in which the submission period for the plan's current remedial amendment cycle begins. (If the plan was first in effect before this date, but the application is still filed within a remedial amendment period that began within the first 5 plan years and you are an eligible employer, complete only the *Certification* and attach an explanation of how your application qualifies for exemption under section 7528(b)(2)(B).)

Example. An employer maintains an individually designed plan first effective on July 1, 2001. Assume that the plan's 5 year remedial amendment cycle is Cycle A. Therefore, the submission period for the plan's current cycle ends on January 31, 2012. Assume that the employer files a determination letter application for the plan on January 31, 2012. If the employer is an eligible employer, the application is exempt from the user fee requirement because the application is filed by the last day of the submission period for the plan's current remedial amendment cycle and the date the plan was first in effect (July 1, 2001) is not before January 1, 2001 (i.e., January 1 of the tenth calendar year immediately before 2011, the year in which the submission period for the plan's current remedial amendment cycle begins).

A determination letter application that is filed by an eligible employer for a defined benefit plan eligible for the 6-year remedial amendment cycle ending on April 30, 2012, also meets the requirements for exemption if:

- (1) the application is filed before May 1, 2012, and
- (2) the plan was first in effect no earlier than January 3, 1996.

See Notice 2002-1, 2002-1 C.B. 283 as amplified by Notice 2003-49, 2003-2 C.B. 294 and Notice 2011-86, 2011-45 I.R.B. 698.

An eligible employer as defined in section 408(p)(2)(C)(i)(I) is an employer which had no more than 100 employees who received at least \$5,000 of compensation from the employer for the preceding year. In addition, an eligible employer must have at least one employee who is not a highly compensated employee (as defined in section 414(q)) and is participating in the plan.

The determination of whether an employer is an eligible employer is made as of the date of the request described above. If your application meets these requirements, complete only the *Certification*. Do not complete any part of line 5.

Payment of User Fee

If you do not meet the conditions for exemption discussed above, a user fee is due.

Check the appropriate box in column A of line 5 if (a) you use the average benefit test to satisfy minimum coverage requirements and/or the general test to show nondiscrimination in the amount of contributions or benefits, and (b) you are requesting a determination letter that covers these issues (i.e., your application includes Schedule Q (Form 5300), Elective Determination Requests and a demonstration labeled Demo 5 and/or Demo 6).

Check the appropriate box in column B of line 5 if you do not want to receive a determination letter that covers the average benefit test and/or the general test (i.e., the plan is not required to use these tests or you do not want these issues considered). A general test plan is a plan that is other than a design-based safe harbor or nondesign-based safe harbor plan.

Attach a check or money order payable to the "United States Treasury" for the full amount of the user fee to Form 8717, if applicable. If you do not include the full amount, your application may be returned. Attach Form 8717 to your determination letter application.

If you have multiple plans, submit a separate determination letter application and Form 8717 for each plan.
