**Part I Reasons For Filing** — If a, b, or c below applies to you, you may be able to lower or eliminate your penalty. But you MUST check the boxes that apply and file Form N-210 with your tax return. If d below applies to you, check that box and file Form N-210 with your tax return.

Check whichever boxes apply:

- a  You request a **waiver**. In certain circumstances, the Department of Taxation will waive all or part of the penalty. See the Instructions for **Waiver of Penalty**.
- b  You use the **annualized income installment method**. If your income varied during the year, this method may reduce the amount of one or more required installments. See the **Instructions for Schedule A**.
- c  You had Hawaii income tax withheld from wages and you treat it as paid for estimated tax purposes when it was **actually** withheld instead of in equal amounts on the payment due dates. See the Instructions for line 10.
- d  One or more of your required installments (line 9) are based upon your 2010 tax and you filed or are filing a joint return for either 2010 or 2011 but not for both years.
