# INSTRUCTIONS—SCHEDULE KJRA

The KJRA tax credit is applied against the corporation income tax imposed by KRS 141.040 and/or the limited liability entity tax (LLET) imposed by KRS 141.0401. The amount of tax credit against each tax can be different; however, for tracking purposes, the maximum amount of credit used against either tax is the amount that is used for the tax year.

**PURPOSE OF SCHEDULE**—This schedule is used by a corporation which has entered into a tax incentive agreement for a Kentucky Jobs Retention Agreement (KJRA) project to determine the credit allowed against the Kentucky corporation income tax and LLET attributable to the project in accordance with KRS 141.402.

# **GENERAL INSTRUCTIONS**

### Part I—Computation of LLET Excluding KJRA Project

Line 2—Using Schedule LLET, create a new Schedule LLET to compute the LLET of the KJRA project using only the Kentucky gross receipts and Kentucky gross profits of the project. Enter "KJRA" at the top center of the Schedule LLET and attach it to the tax return.

Part II—Computation of Taxable Net Income Excluding Net Income from KJRA Project and KJRA Tax Credit

#### Section B

**Line 2**—Enter net income for KJRA project. If the corporation's only operation in Kentucky is the KJRA project, the amount entered on Line 1 must be entered on Line 2.

See form for computation.

#### Part III - Limitation

Calculate KJRA tax credit based on the corporation's tax liability, tax liability attributable to KJRA project and credit limitation from Schedule KJRA-T. Enter credit on Schedule TCS, Part I, Column E and Column F.

A corporation with more than one economic development project must separately compute the tax credit derived from each project. Complete an applicable tax computation schedule (Schedule KREDA, Schedule KIDA, Schedule KEOZ, Schedule KJRA, Schedule KIRA, Schedule KJRA, Schedule KJRA, Schedule KJRA, Schedule KJRA, Schedule KJRA, Schedule KJRA, or Schedule IEIA) for each project. A corporation approved for the Skills Training Investment Credit Act (STICA) or Metropolitan College Consortium Tax Credit (MCC) must attach a copy of the certification(s) from the Bluegrass State Skills Corporation. A corporation approved for the Kentucky Small Business Investment Credit Program (KSBIC) must attach a copy of the certification from the Kentucky Economic Development Finance Authority.

Alternative Methods—In accordance with KRS 141.402(7), if the approved company can show that the nature of the operations and activities of the approved company are such that it is not practical to use separate accounting to determine net income, Kentucky gross receipts or Kentucky gross profits from the facility at which the project is located, the approved company shall determine net income, Kentucky gross receipts or Kentucky gross profits attributable to the project using an alternative method approved by the Department of Revenue. Thus, if any method other than separate accounting is used, a copy of the letter from the Department of Revenue approving the alternative method must be attached to this schedule.
