## 2011 Schedule M1NR Instructions

### Nonresidents/Part-Year Residents

#### Who Must File

If you were a nonresident or part-year Minnesota resident in 2011, you may reduce your Minnesota tax by completing Schedule M1NR. To determine if you were a full-year resident, part-year resident or nonresident for tax purposes, see Fact Sheet 1, *Residency*.

You must file a Minnesota Form M1 and Schedule M1NR if you and your spouse received **gross income** assignable to Minnesota of \$9,500 or more, including income passed through to you from all partnerships (line 21 of Schedule KPI), S corporations (line 21 of Schedule KS) and estates or trusts (line 23 of Schedule KF).

*Gross income* is income before any deductions and expenses. Gross income does not include military pay paid to a Minnesota resident for service outside Minnesota.

Married taxpayers who file a joint federal return must file a joint Minnesota return even if only one spouse is a Minnesota resident or has Minnesota income. Include Schedule M1NR when you file your return.

**If your Minnesota gross income is below the minimum filing requirement (less than \$9,500), and you had tax withheld or paid estimated tax, follow the steps below to complete your Schedule M1NR:**

- 1 Complete lines 1–11 of Schedule M1NR.
- 2 Skip lines 12–22.
- 3 Enter a zero on line 23.
- 4 Enter the amount from line 11, column A, on line 24.
- 5 Then complete the rest of the schedule.

Enter the appropriate amounts from your Schedule M1NR on lines 12a, 12b and 12 of Form M1 and include the schedule when you file your return.

**If you were a resident of Michigan or North Dakota for all of 2011**, do not complete this schedule if your only Minnesota source income is exempt due to reciprocity (see page 5 of the M1 instructions). Complete Schedule M1NR only if you received income from sources in Minnesota that does not qualify under reciprocity. (Income that qualifies for reciprocity includes wages, salaries, tips, commissions, bonuses, fees and similar compensation for work performed in Minnesota.)

#### Column A Instructions

*Round amounts to the nearest whole dollar.*  
Enter the appropriate amount from your 2011 federal or Minnesota income tax return, as instructed for each line.

#### Column B Instructions

*Round amounts to the nearest whole dollar.*  
Assign income or expenses to Minnesota according to the following instructions. However, if you are a partner, shareholder or beneficiary, enter the amounts from the Schedule KPI, KS or KF and follow the instructions with that schedule.

#### Line 1, Column B

##### Wages, Salaries, Tips, etc.

Include wages, salaries and tips, commissions and bonuses received while a Minnesota resident. Include the amounts received from work performed in Minnesota while a nonresident, including amounts earned in a prior year but received in 2011.

Also include wages received for work performed while a Minnesota resident but deferred to a year when you were a nonresident.

Do not include on line 1, column B:

- Minnesota wages earned while a resident of Michigan or North Dakota that is covered under a reciprocity agreement;
- military pay received while a *nonresident* (from line 27 of Schedule M1M); or
- wages received as a nonresident military spouse, if certain requirements are met (see page 5 of the M1 instructions).

**Line 13, Column B**

**Pension Plans**

To determine your:

- *Minnesota Keogh deduction:* Multiply your federal Keogh deduction by the percentage you determined in step 1 of the worksheet for line 16.
- *Minnesota IRA, SEP or SIMPLE plan deduction:* Multiply your federal deduction by the percentage your Minnesota earned income is to your federal earned income (without lowering your wages by self-employment losses). For purposes of this deduction only, earned income includes wages, self-employment income and all other earned income, plus all taxable alimony received. Subtract deductible Keogh contributions and self-employment tax deductions (Schedule SE) from that total.

If your spouse also worked, determine the spousal deduction in the same way. Use only your spouse's earned income plus your spouse's federal IRA, SEP or SIMPLE plan deduction.

**Line 14, Column B**

**Health Savings Account and Archer MSA Deductions**

Add your health savings account deduction from line 25 of Form 1040 and the Archer MSA deduction included on line 36 of Form 1040. Multiply the result by the percentage your Minnesota earned income is to your federal earned income.

For purposes of this deduction only, earned income includes wages, self-employment income and all other earned income, plus all taxable alimony received.

**Line 15, Column B**

**Moving Expenses**

Include moving expenses paid while a Minnesota resident or that were attributable to a move into Minnesota.

- alimony paid while a Minnesota resident included on line 31a of Form 1040;
- the portion of federal student loan interest deduction (from line 33 of Form 1040 or line 18 of Form 1040A) that represents interest paid while a Minnesota resident; and

**Net U.S. Bond Interest and Active Duty Military Pay Received by a Nonresident**
