These include amounts attributable to the ownership or disposition of any Missouri property and business income that is attributable to Missouri sources. Whether nonbusiness income is attrib-

utable to Missouri sources is often determined by whether the property sold or producing income was located in Missouri.

Business or ordinary income is wholly attributable to Missouri if the business is only carried on in Missouri. If not carried on only in Missouri, the income must be divided between Missouri and other states. See instructions for Schedule MO-MSS.

- 3. Column (b): Multiply the amount in Column (a) by the percent in Column (c) and enter in Column (b).
