If you have disposed of any property listed on this form in a prior year, complete Parts 2 and 3.

If you file Form CT-3, CT-3-A, or CT-4, use Part 4 to determine your depreciation adjustment used to compute your minimum taxable income base.

Part 2 — Disposition adjustments (attach separate sheets if necessary, displaying this information formatted as below; see instructions)

- For each item of property listed below, determine the difference between the total federal depreciation deduction, including a 30%/50%/100% federal special depreciation deduction, and the total New York State depreciation used in the computation of federal and New York State taxable income in prior and current years.
- If the federal depreciation deduction is larger than the New York State depreciation deduction, subtract column D from column C and enter the result in column E.
- If the New York State depreciation deduction is larger than the federal depreciation deduction, subtract column C from column D and enter the result in column F.
