## Estimated Income Tax Payments for Investors in Pass-Through Entities

### 1. Who may use Ohio form IT 4708ES?

Any entity that (i) is treated as a partnership or an S corporation for federal income tax purposes, (ii) is electing to file a single (composite) annual income tax return on behalf of one, some or all of its noncorporate investors and (iii) is required to make estimated payments (may use coupon Ohio form IT 4708ES).

Investors included in the annual composite return **cannot claim** on that return any personal exemptions or nonbusiness credits and must pay at the **highest rate, 5.925%**. See Ohio Revised Code section 5747.08.

### 2. When is Ohio form IT 4708ES required to be filed?

The pass-through entity must file estimated income tax payments and file Ohio form IT 4708ES if the combined 2011 Ohio taxes after credits will be more than \$500.

### 3. Payment amount and time and place for filing and payment

Each **calendar year** pass-through entity and each **fiscal year** pass-through entity for its fiscal year ending in calendar year 2011 must pay by April 18, 2011 at least 22.5% of the tax due for the current year. Subsequent payments are due as follows:

June 15, 2011	45%	of the current year tax due less previous payments
Sept. 15, 2011	67.5%	of the current year tax due less previous payments
Jan. 17, 2012	90%	of the current year tax due less previous payments

For purposes of this payment schedule, "current year" means either calendar year 2011 or the fiscal year ending in calendar year 2011. When computing the estimated tax due for the current year, the pass-through entity may annualize income to compute the estimated tax due for each of the first three payment dates.

In lieu of making estimated tax payments based on 90% of the current year tax (or tax computed on current year annualized income), the taxpayer can make four estimated tax payments, each for 25%

of the previous year's tax after nonrefundable business credits and grants (see year 2010 Ohio form IT 4708, page 1, line 12).

**Example:** A pass-through entity has a Nov. 30 fiscal year end. For the fiscal year ending Nov. 30, 2011 the estimates would be due on April 18, 2011, June 15, 2011, Sept. 15, 2011 and Jan. 17, 2012. These estimates would be based upon either (i) the tax for the fiscal year ending Nov. 30, 2010 or (ii) income (or annualized income) for the fiscal year ending Nov. 30, 2011. If the pass-through entity makes payments based upon the fiscal year ending Nov. 30, 2010, then the pass-through entity must pay 100% of that year's tax due after nonrefundable credits and grants, rather than 90% of this year's tax due.

All pass-through entities must use payment coupon Ohio form IT 4708ES.

### Make checks payable to Ohio Treasurer of State and mail to:

Ohio Department of Taxation  
P.O. Box 181140  
Columbus, OH 43218-1140

### 4. Interest penalty

If income taxes are underpaid, the pass-through entity must add an interest penalty to the taxes for the taxable year at the rate per annum prescribed by Ohio Revised Code section 5703.47. See Ohio form IT/SD 2210 available on our Web site at [tax.ohio.gov](http://tax.ohio.gov).
