# **Instructions for Form 65**

**Oregon Partnership Return of Income** 

#### Which partnerships must file Form 65?

- Every partnership having income derived from or connected with sources in Oregon.
- · Every partnership having one or more Oregon resident partners.

Exception: Publicly traded partnerships taxed as corporations.

Note: Oregon follows federal filing guidelines. If you aren't required to file a federal partnership return, you don't file one for Oregon.

Example: A husband and wife partnership electing the qualified joint venture option doesn't file a federal partnership return; therefore they don't file an Oregon partnership return.

#### Partnership minimum tax

A partnership must pay the \$150 minimum tax if it's doing business in Oregon **and** required to file a partnership return. "Doing business" is performing a profit-seeking activity.

When a partnership is requred to file two or more returns, (such as for a technical termination), the tax is owed for each return. It is **not** apportioned.

See Oregon Revenue Bulletin #2010-02 for more information, visit www.oregon.gov/dor/bulletins.shtml.

#### Filing and payment deadlines

Returns and tax payments for the 2011 calendar year are due by April 17, 2012. Fiscal year returns are due by the 15th day of the fourth month after the end of the partnership's tax year. Estimated payments are not required.

#### Extension to time to file

If you filed a federal extension, you don't need an Oregon extension. If you need to file an Oregon only extension, check the extension box on voucher Form 65-V and send it in by the due date.

An extension to file does **not** mean more time to pay. If you need to pay the \$150 minimum tax, check the extension box on voucher Form 65-V and send us the voucher and payment by the due date.

#### **Business identification number (BIN)**

This is a number we use to identify business taxpayers and employers. Some businesses have more than one BIN for different types of taxes. If you are an employer, you were assigned a BIN after you submitted your combined registration form. Otherwise, we assigned one when you filed or made a payment. We use your BIN on all notices. Using the correct BIN will result in faster and more accurate processing of your returns and payments. If you have never filed or made a payment before, leave the BIN blank.

For more partnership information, go our partnership information webpage at www.oregon.gov/dor/bus and click on "Partnership Taxes" on the left side.

#### What must be attached to the Oregon partnership return?

Staple this information to your return in the following order:

- A copy of federal Form 1065, U.S. Return of Partnership Income, or Form 1065-B, U.S. Return of Income for Electing Large Partnerships. Include all pages and supporting schedules (for example, Schedule M-3).
- Schedule AP, Apportionment of Income for Corporations and Partnerships (form 150-102-171), if you answered yes to questions 6A and 6B on Form 65.
- An Oregon Depreciation Schedule (form 150-101-025), if Oregon depreciation differs from federal depreciation.
- If this is the final partnership return, a schedule showing to whom all assets and liabilities were distributed, and each asset's adjusted basis, fair market value, and sales price.
- Federal Schedule K-1s, if less than 11 partners during the year. If you had more than 10 partners, attach a summary of partner information. Your summary must include each partner's name, SSN or FEIN, address, profit/loss sharing percentage, and Oregon modifications and credits. We prefer summaries and K-1s on CD. If your CD is password protected, mail the password separately or e-mail it to files-partnership.dor@state.or.us. Include the partnership name and identification number with the password.
- Form 24, Oregon Like-Kind Exchanges/Involuntary Conversions if you had a 1031 exchange investing in out of state property.

#### Amending instructions

Complete the return as it should have been filed and check the box at the top. Attach an explanation of all corrections. There is no tax to pay or refund unless you change the answer to question 1 (doing business in Oregon).

#### Penalty and interest

The partnership will owe interest on any tax not paid by the due date. The 2012 interest rate is 5 percent per year and increases to 9 percent per year if not paid within 60 days of our billing notice.

The partnership will also owe a late payment penalty on any tax not paid by the due date. Other penalties may apply.

#### Partnership failure-to-file penalty

We may assess this if a partnership doesn't file a return or fails to provide information to us as required by law. The penalty is \$50 per month per partner for each month the return is late or incomplete, up to a maximum of five months.

150-101-065 (Rev. 10-11)

### **Guaranteed payments**

Guaranteed payments are treated as distributive shares of partnership income. For nonresident partners income attributable to Oregon sources is determined by applying the allocation and apportionment provisions to each nonresident's entire distributive share including guaranteed payments.

#### Oregon modifications to federal partnership income

Complete Schedule I (on page 2 of Form 65) to figure Oregon modifications to federal partnership income. Attach schedules if necessary to explain and compute the modifications.

**Important!** If you expensed business property under IRC section 179 or claimed the 50 percent bonus depreciation or the \$8,000 additional depreciation allowed under IRC section 168(k) in 2009 or 2010, you may have an addition or subtraction. Use the *Oregon Depreciation Schedule* to see if you have an adjustment due to Oregon differences.

Gain on voluntary and involuntary conversions. Oregon allows partnerships to elect for their partners to defer the gain on voluntary and involuntary conversions. Partnerships must make the election for all consenting partners. Attach Form 24, *Oregon Like-kind Exchanges/Involuntary Conversion*, 150-800-734, to your *Oregon Partnership Return of Income*, Form 65, and check the box on the front of Form 65.

#### Credits

Partners may qualify for certain tax credits on their individual income tax returns even though the costs were paid by the partnership. For a complete list of credits, visit www.oregon.gov/dor/business and click on "Partnership Taxes."

#### Individual income tax returns

Each partner's distributive share of net income (or loss) and separately stated items must be reported on that partner's individual income tax return.

Partners report their share of Oregon modifications (additions or subtractions) or credits on their tax return. The owner's modification or credit is based on the total for the business multiplied by their ownership percentage.

If there is a specific code for the Oregon modification or credit, the owner should use that code. Otherwise, they should use addition code 119, subtraction code 323, or credit code 736 to identify the Oregon modification or credit.

**Examples:** An LLC filing as a partnership has a subtraction for a difference in depreciation, so the owners use subtraction code 304, the specific code for that modification. An S corporation qualified for a lender's credit for affordable housing, so the owners use credit code 736 because there is no code for that credit.

Nonresident partners can join an *Oregon Composite Return,* Form OC, filed by the partnership or file their own return using Form 40N and instructions.

#### TriMet and Lane Transit District selfemployment taxes

Self-employment earnings of taxpayers doing business or providing services within the TriMet and/or Lane Transit Districts are subject to these taxes. A partnership may elect to file and pay the transit district self-employment tax on behalf of any or all the individual partners.

### Withholding requirement for partnerships

A partnership with one or more nonresident partners and Oregon-source income is usually required to withhold tax unless the partner makes an election to join in the filing of a composite return or files an affidavit. Use Form OR-19, *Report* of Nonresident Owner Tax Withheld, to determine withholding for nonresident partners.

#### 2012 Short tax year

Oregon follows federal filing requirements. Use this form for a short tax year that begins and ends in 2012, if the 2012 forms are not available by the due date. Remember that an extension to file does not change the due date of the tax.

**Example:** ABC Properties LLC is classified as a partnership and uses a calendar tax year. The LLC has a technical termination on February 20, 2012. The federal and Oregon returns for the tax year from January 1, 2012 to February 20, 2012 are due June 15, 2012. The Oregon partnership minimum tax is also due June 15, 2012. The LLC will use 2011 forms to complete their federal and Oregon returns applying any laws for tax year 2012.

#### **Payments**

- Make your check or money order payable to "Oregon Department of Revenue."
- Write your daytime telephone number, EIN, and and "2011 Partnership Tax" on your check.
- Do not send cash or a postdated check.
- Include both the EIN and BIN on the voucher for faster and more accurate processing.
- Complete voucher Form 65-V and attach it to your payment. If included with your return, attach both the payment and voucher to the front of Form 65.
