

# Form LPC-2

## Notification of Transfer of Land Preservation Credit

- Credits derived from donations made on and after January 1, 2007, are not automatic, but must be reviewed by the Department of Taxation to ensure that the annual limitation (which is \$106,845,000 for 2010) is not exceeded. Some credit applications require review and approval by the Department of Conservation and Recreation before the Department of Taxation acts.
- All credits, whether arising from donations before or after January 1, 2007, are subject to adjustment by the Department of Taxation upon audit.
- To avoid delays at the time of annual return processing, Form LPC-2 should be filed by the credit holder within 90 days of the credit transfer, but at least 90 days before filing your annual return.
- The sale or transfer of tax credits may have income tax consequences for the credit holder and transferee. Consult your attorney, your tax professional, or the IRS.

**Form LPC-2 Notification of Transfer of Land Preservation Credit**  
**Schedule A Allocation Schedule and Calculation of Fee**

- For donations made in 2007 and after, you cannot transfer credit(s) until TAX has issued you a credit for your donation.
- TAX is unable to guarantee that any LPC-1 application received in December will be processed in time to make a transfer in that year.
- If the original donation was made on or before December 31, 2006, complete Sections I, II (if applicable) and III.
- If the original donation was made on or after January 1, 2007, complete Sections I, II (if applicable), III, and IV (if applicable).
- Credits will be granted to one taxpayer per line per SSN/FEIN.
- A separate LPC-2 must be completed for each credit holder who transfers credits.
- If a credit is transferred to a pass-through entity, an additional Schedule A must be filed to allocate the credit to its owners.
- Attach additional pages, if needed. However, if the allocation/transfers are to more than 15 persons/entities, we recommend submitting a CD or disc.
- Please call 804-786-2992 for disc format.
