Instructions for Form 589

Nonresident Reduced Withholding Request

What's New

Amending Form 589

Amended forms can only be filed by the payee. To amend Form 589:

- Complete a new Form 589 for the appropriate year with the correct information.
- Write "Amended" at the top of the amended form.
- Include a letter explaining what changes were made and why.
- Send the amended form and letter to the address listed under General Information B, When and Where to File.

Do Not Round Cents to Dollars – On this form, **do not** round cents to the nearest whole dollar. Enter the amounts with dollars and cents as actually withheld.

Important Information

Beginning on or after January 1, 2010, with certain limited exceptions, payers that are required to withhold and remit backup withholding to the Internal Revenue Service (IRS) are also required to withhold and remit to the Franchise Tax Board (FTB). The California backup withholding rate is 7% of the payment. For California purposes, dividends, interests, and any financial institution's release of loan funds made in the normal course of business are exempt from backup withholding. If a payee has backup withholding, the payee must contact the FTB to provide a valid Taxpayer Identification Number (TIN) before filing a tax return. The following are acceptable TINs: social security number (SSN); individual taxpaver identification number (ITIN): federal employer identification number (FEIN); California corporation number (CA Corp no.); or California Secretary of State (SOS) file number. Failure to provide a valid TIN will result in the denial of the backup withholding credit. For information, go to ftb.ca.gov and search for backup withholding.

Beginning January 1, 2011, we began applying Federal Treasury Regulation 1.1446-6 procedures to reduce or eliminate withholding of California tax on effectively connected taxable income (ECTI) from California sources allocable to a foreign partner. The foreign partner must first sign and send federal Form 8804-C. Certificate of Partner-Level Items to Reduce Section 1446 Withholding, to the partnership. The foreign partner must sign and send Form 589, Nonresident Reduced Withholding Request to the FTB along with a signed copy of federal Form 8804-C. The FTB will review the request within 21 business days. If the request is approved, the partnership should remit the reduced withholding amount to the FTB along with Form 592-A, Payment Voucher for Foreign Partner or Member Withholding.

General Information

Nonresidents may request a reduction in the standard seven percent withholding amount that is applicable to California source payments made to nonresidents using Form 589, Nonresident Reduced Withholding Request.

Tax withheld on California source payments to nonresidents are remitted to the FTB in four payment periods (similar to estimate tax payments). For more information, get Form 592, Resident and Nonresident Withholding Statement.

Withholding is optional, at the discretion of the withholding agent, on the first \$1,500 in payments made during the calendar year. Withholding must begin as soon as the total payments of California source income for the calendar year exceed \$1,500.

A Purpose

A nonresident taxpayer that can show that the required seven percent rate of withholding will result in excessive withholding, should use Form 589, to apply for a reduction in the amount to be withheld (see Revenue and Taxation Code (R&TC) Section 18662).

Do not use Form 589 to request a reduced withholding amount if you are a seller of California real estate. Sellers should use Form 593-C, Real Estate Withholding Certificate.

A foreign (non U.S.) partner or member may file a Form 589, to reduce or eliminate a partner's withholding of California tax on ECTI from California sources, however a foreign (non-U.S.) partner or member may not request a withholding waiver.

Form 589 does not apply to payments subject to backup withholding or for wages to employees. Wage withholding is administered by the California Employment Development Department (EDD). For more information, call at **888**.745.3886 or go to **edd.ca.gov**.

For California withholding purposes, nonresident includes all of the following:

- Individuals who are not residents of California.
- Corporations not qualified through the Secretary of State to do business in California or having no permanent place of business in California.
- Partnerships or limited liability companies (LLCs) with no permanent place of business in California.
- Any trust without a resident grantor, beneficiary, or trustee, or estates where the decedent was not a California resident.

Foreign refers to non-U.S.

B When and Where to File

The payee must submit Form 589 to the FTB before receiving payment for services.

Form 589 is a request for a reduced withholding amount and does not guarantee the nonresident payee a reduction in withholding unless approved by the FTB prior to the payment for services being performed.

Online Filing:

Beginning August 29, 2011, you may file Form 589, online. After this date we will not be able to process faxed Forms 589. If you file Form 589 online and you need to submit additional documentation, (i.e. federal Form 8804-C, federal Schedule E (Form 1040), expense breakdown, etc.), you must fax the documentation to us at 916.845.9512. On the fax containing your documentation, you must include your name, TIN, and the confirmation number of your online Form 589 submission.

Allow 10 business days for processing online filing.

By Mail:

Allow 21 business days for processing. Submit requests by mail to:

WITHHOLDING SERVICES AND COMPLIANCE FRANCHISE TAX BOARD PO BOX 942867 SACRAMENTO CA 94267-0651

In an effort to accommodate requests submitted by mail as timely as possible, requests for reduced withholding amounts should be received by the FTB at least 21 business days prior to payment for the services performed. Failure to submit timely requests may result in a seven percent withholding requirement.

Upon receipt of the completed and signed Form 589, the FTB will review the request for a reduced withholding amount. A signature is required on Form 589 from the requestor or payee, in order for the FTB to process. The FTB may request to review all relevant documentation including, but not limited to, receipts and contracts, in order to verify the payment and expense amounts. Upon reviewing the request and supporting documentation, the FTB will make a determination of how much withholding is appropriate for the services performed. Upon making a determination, the FTB will provide a determination letter to the pavee and the withholding agent with the approved amount to be withheld on the payment outlined on Form 589. The withholding agent will be instructed to withhold the approved amount, and report that amount on their next Form 592. Mail the completed Form 592 and Form 592-V, Payment Voucher for Resident and Nonresident Withholding, with the approved amount. In addition, the withholding agent will be instructed to withhold and remit seven percent of any payment made to the payee in excess of the gross California source payment amount reported on Form 589. The withholding agent retains this form and

the determination letter for a minimum of four years and must provide them to the FTB upon request.
