YOU MAY QUALIFY FOR FREE ONLINE TAX FILING!

Have you considered filing electronically?

You may be eligible to file your taxes online for FREE. Go to www.freefile.dor.in.gov to see if you qualify.

More than 2 million Indiana taxpayers filed electronically in 2012. Consider the benefits of filing electronically:

- **Faster Refund.** Electronic filing reduces errors and expedites refund time – average 7 to 14 days (compared with 6 to 12 weeks for a paper return).
- **Fewer Errors.** Up to 20 percent of paper-filed returns have errors, which can result in delays and possible penalty and/or interest for the taxpayer. Returns filed electronically, however, are 98 percent accurate.
- **Costs Less.** Not only does it cost you less, but it saves taxpayer money. It costs the state more than \$2.3 million operationally to process more than 1 million paper returns. It cost the state only about \$150,000 operationally to process more than 1.8 million electronic returns.
- **Fewer Complications.** You won't have to complete the many complicated forms in this booklet. Instead, you go online, answer some easy questions, and before you know it your taxes are complete.

For more information about the Indiana freefile program, see page 3.

About the Cover: The original capitol building in Vincennes during Indiana's days as the Indiana Territory. In 1811, the General Assembly moved into a new building designed to serve them. The building was never called the Territory Capitol or Legislative Hall. It was simply called the "Red House." Newspaper accounts of the day indicate "the Legislature is in session in the Red House."

Indiana Income Tax Return for Full-Year Indiana Residents with No Dependents

File Form IT-40EZ if you filed a 2012 federal Form 1040EZ. Otherwise, file Form IT-40.

Who Must File?

- If you were a full-year Indiana resident and your gross income (the total of all your income before deductions) was greater than your exemption, you must file an Indiana income tax return.
- If you (and/or your spouse, if filing jointly) were Indiana residents for less than a full year (or not at all) see Form IT-40PNR to see if you are required to file. Visit our website at www.in.gov/dor/4657.htm to get Form IT-40PNR.

Which Tax Form Should You File?

Indiana has two different individual income tax returns available for full-year residents to file. Read the following to find the right one for you.

Use Form IT-40EZ:

If you (and your spouse, if married) were full-year Indiana residents and **all** of the following are true:

- You filed (or were qualified to file) federal Form 1040EZ,*
- You are claiming only the renter's deduction and/or unemployment compensation deduction,
- You have only Indiana state and county tax withholding credits and/or the Automatic Taxpayer Refund credit, and
- You do not have any interest income from a direct obligation (acquired after Jan. 1, 2012) of a state or political subdivision other than Indiana.

*1040EZ filing requirements include:

- Your filing status is single or married filing jointly
- You do not claim any dependents
- You (and your spouse, if married) were under age 65 and not blind at the end of 2012
- Your federal adjusted gross income (Form 1040EZ, line 4) is less than \$109,750 (\$119,500 if married).
- You had only wages, salaries, tips, taxable scholarship or fellowship grants, and/or unemployment compensation, and your taxable interest was not over \$1,500

Use Form IT-40:

If you (and your spouse, if filing jointly) were full-year Indiana residents and you do not qualify to file Form IT-40EZ.

2012 Changes

Automatic Taxpayer Refund Credit for Hoosiers

The Indiana General Assembly passed Governor Daniels' proposed legislation providing an **Automatic Taxpayer Refund** credit for eligible Indiana taxpayers when the state budget surplus exceeds the amount needed to protect against a downturn in the economy. Eligible Hoosier taxpayers will share equally in the **Automatic Taxpayer Refund** credit by keeping more of their hard-earned money.

Most taxpayers are eligible for the credit, but there are three qualifications. An eligible taxpayer must have timely filed a full-year Indiana resident income tax return for tax year 2011, must timely file a full-year resident Indiana income tax return for tax year 2012, and must owe some tax to the state for 2012. The refundable credit that has been authorized for 2012 is \$111 per eligible taxpayer (\$222 for an eligible married couple filing a joint return). See page 6 of the booklet for further details and the worksheet to determine your eligibility to share in the **Automatic Taxpayer Refund** credit.

INfreefile

This tax season Indiana continues to offer a new free tax filing service through the cooperation of the Free File Alliance.

Eligible Indiana taxpayers can file both the federal and Indiana individual tax returns using highly interactive and easy-to-use web-based applications that speed both returns and refunds.

Twenty-four states will be using the Free File option for 2012. And, you have the selection of multiple vendors to use for this free service. The Department of Revenue estimates that nearly 1 million Indiana taxpayers will be eligible for this free service. You may be one. In fact, more than 118,000 Hoosier taxpayers used INfreefile last year and expressed a very high satisfaction with the service.

Take a look at this filing method by visiting www.freefile.dor.in.gov. See if you are eligible to participate.

Ready To File Your Return?

Use an electronic filing program

More than 2 million Hoosier taxpayers used an electronic filing program to file their 2011 state and federal individual income tax returns. Electronic filing provides Indiana taxpayers the opportunity to file their federal and state tax returns immediately, and receive their Indiana refunds in about half the time it takes to process a paper return. It takes even less time if you use direct deposit, which deposits your refund directly into your bank account. Even if there is an amount due on either return, Indiana taxpayers can still file electronically and feel comfortable knowing that the returns were received by the IRS and the Indiana Department of Revenue. Contact your tax preparer to see if he or she provides this service.

Where's your refund?

There are several ways to check the status of your refund. You will need to know the exact amount of your refund, and a Social Security number entered on your tax return. Then, do one of the following:

- Call (317) 233-4018 for automated refund information.
- Go to www.in.gov/dor/3336.htm and click on the words Where's my refund.
- Call (317) 232-2240 from 8 a.m. to 4:30 p.m. Monday - Friday, and a representative will help you.

A refund directly deposited to your bank account may be listed on your bank statement as a credit, deposit, etc. If you have received information from the Department that your refund has been issued, and you are not sure if it has been deposited in your bank account, call the ACH Section of your bank or financial institution for clarification.

Important. If we are unable to deposit your refund to the listed account (incorrect/incomplete account numbers; account closed; refund to go to an account outside the United States; etc.), the Department will mail a paper check to the address on the front of the tax form.

Note. A refund deposited directly to your Hoosier MasterCard account will appear on your monthly statement.

Moving?

If you move to a new address after filing your tax return and do not have a forwarding address on file with the post office, the Department needs to know where to send your refund check. Change your address with us by doing one of the following:

- Go to www.in.gov/dor/3336.htm and click on the words How do I change my mailing address with the Department?
- Call the Department at (317) 232-2240.
- Visit a district office near you. Go to www.in.gov/dor/3390.htm for a listing of district offices.

Filing an amended (corrected) tax return

Did you receive a late W-2 or other kind of income statement after you filed? Did you forget to claim an exemption or deduction? If you need to amend (correct) a tax return that has already been filed, use Form IT-40X, Amended Individual Income Tax Return, located at www.in.gov/dor/4657.htm.

Public Hearing - June 4, 2013

The Department will hold a public hearing on June 4, 2013. Please come and share your ideas on how the Department of Revenue can better administer Indiana tax laws. The hearing will be held at 9 a.m. in Conference Room 18 of the Conference Center, Indiana Government Center South, 402 West Washington Street, Indianapolis, Ind. You may also submit your concerns in writing to: Indiana Department of Revenue, Commissioner's Office, MS# 101, 100 North Senate Avenue, Indianapolis, IN, 46204.

Social Security Number/ Individual Taxpayer Identification Number (ITIN)

Be sure to enter your Social Security number in the boxes at the top of the form. If filing a joint return, enter your Social Security number in the first set of boxes and your spouse's Social Security number in the second set of boxes.

If you already have an ITIN, enter it wherever your Social Security number is requested on your tax return. If you are in the process of applying for an ITIN, check the box located directly beneath the Social Security number area at the top of the form.

Name and suffix

Please use all capital letters when entering your information. For example, Jim Smith Junior should be entered as JIM SMITH JR.

Name. If your last name includes an apostrophe, do not use it. For example, enter O'Shea as OSHEA. If your name includes a hyphen, use it. For example, enter SMITH-JONES.

Suffix. Enter the suffix associated with your name in the appropriate box.

- Use JR for junior and SR for senior.
- Numeric characters must be replaced by Roman Numerals. For example, if your last name is Charles 3rd, do not use 3rd; instead, enter III in the suffix field.
- Do not enter any titles or designations, such as M.D., Ph. D., RET., Minor or DEC'D.

Foreign country designation

Complete this area if the address you are using is located in a foreign country. Enter the 2-character foreign country code, which may be found online at www.in.gov/dor/4432.htm.

School corporation number

Enter the four-digit school corporation number (found on page 12 or 13) for where the primary taxpayer lived on Jan. 1, 2012. The primary taxpayer is the first name listed at the top of the tax return. If the primary taxpayer did not live in Indiana on Jan. 1, 2012, enter the code number "9999". Contact a local school or your county auditor's office if you're not sure which school corporation you live in.

County information

Enter the two-digit code numbers for the county(s) where you and your spouse, if filing joint, lived and worked on Jan. 1, 2012. You can find these code numbers on the chart on the back of Schedule CT-40EZ. See the instructions beginning on page 9 for more information, including the definitions of the county where you live and work.

Losses (or negative entries)

When reporting a loss or negative entry, use a negative sign. Example. Write a \$125 loss as -125.

Commas

Do not use commas when entering amounts. For instance, express 1,000 as 1000.

Enclosing schedules, W-2s, etc.

Enclose all your W-2s, 1099s and check or money order, if applicable. Do not staple or paper clip your enclosures.

When Should You File?

Your tax return is due April 15, 2013. If you file after this date, you may have to pay interest and/or penalty. See page 8 for more information.

Fiscal year tax returns are due by the fifteenth (15) day of the fourth (4th) month after the close of the fiscal year. You must complete the fiscal year filing period information at the top of the form.

Extension of time to file — What if you can't file on time?

You must get an extension of time to file if you:

- Are required to file (your income is more than your exemptions), and
- You cannot file your tax return by the April 15, 2013 due date.

Whether you owe additional tax, are due a refund or are breaking even, you still need to get an extension if filing after April 15, 2013.

If you owe...

You must file Form IT-9 (Application for Extension of Time to File) and send in a payment of at least 90 percent of the tax you expect to owe. This must be filed and tax paid by April 15, 2013 for the extension to be valid. **Important.** If you make an extension payment you must file Form IT-40.

If you don't owe...

You'll still need to file for an extension if:

- You are due a refund, or
- You don't expect to owe any tax when filing your tax return, and
- You are unable to file your return by April 15, 2013.

There are two ways to accomplish this:

- If you have a valid federal extension, Form 4868, you automatically have an extension with Indiana and do not have to file for a separate state extension (Form IT-9).
- If you do not have a valid federal extension, file Form IT-9 by April 15, 2013.

Extension filing deadline.

- State Form IT-9 extends your state filing time to June 17, 2013.
- Federal Form 4868 extends your state filing time to Nov. 15, 2013.
- If you have both extensions (state and federal), your state filing time to file is Nov. 15, 2013.

Will you owe penalty and/or interest?

Interest is owed on all amounts paid after April 15, 2013. See page 8 for instructions on how to figure interest.

Penalty will not be owed if you have:

- Paid 90 percent of the tax you expect to owe by April 15, 2013,
- Filed your tax return within the extension filing time, and
- Pay any remaining amount due with that filing.

Indiana's Extension of Time to File, Form IT-9

Get Indiana's extension Form IT-9, and mail it (including any payment due) by April 15, 2013. You may get Form IT-9 online at www.in.gov/dor/4657.htm. You may also file for an extension (if making a payment) online at www.in.gov/dor/4340.htm (make sure to do this by April 15, 2013). **Remember,** you cannot file Form IT-40EZ if making an extension payment to Indiana. You must file Form IT-40.

Line-By-Line Instructions

Important: Complete your federal Form 1040EZ first.

Rounding required

Each line on which an amount can be entered has a ". 00" already filled-in. This is to remind you that rounding is required when completing your tax return.

You must round your amounts to the nearest whole dollar.

To do this, drop amounts of less than \$0.50.

Example. \$432.49 rounds down to \$432.00.

Increase amounts of \$0.50 or more to the next higher dollar.

Example. \$432.50 rounds up to \$433.00.

Line 1 – Enter your federal "adjusted gross income" from federal Form 1040EZ, line 4.

Line 2 – Enter the amount from line 3 of the *Indiana Deduction Worksheet*, which is located on the back of Form IT-40EZ.

Line 4 – Exemptions. Enter \$1,000 if filing a single return and \$2,000 if filing a joint return. Note: You are always eligible to claim a full \$1,000 personal exemption on your Indiana IT-40EZ (even if your parents or someone else can also claim you on their return).

Line 7 – Complete the County Tax Schedule, Form CT-40EZ, to figure your tax. Go to page 9 for more information about county tax.

Line 8 – Use tax due on out-of-state purchases

If you have purchased items while you were outside Indiana, through the mail (for instance, by catalog or offer through the mail), through radio or television advertising and/or over the Internet, these purchases may be subject to Indiana sales and use tax, if sales tax was not paid at the time of purchase. This tax, called “use” tax, is figured at 7 percent. Complete the worksheet below to figure your tax.

Lines 10 and 11 – Indiana state and county tax withholding amounts

Enter the amount(s) of Indiana state and/or county tax withheld, which is usually shown in boxes 17 and 19 of your W-2s. You must enclose your W-2s to verify your claimed withholding.

Line 12 – Automatic Taxpayer Refund Credit

If you (and/or your spouse)

- timely filed a 2011 Indiana income tax return,
 - are timely filing your 2012 Indiana income tax return, and
 - have a state tax liability for 2012, then
- you may be eligible to claim the automatic taxpayer refund credit. Complete the following steps to see if you meet the eligibility requirements and, if you do, to figure your refund credit.

Note. To be considered timely filed,

- your 2011 Indiana tax return must have been filed by the April 17, 2012 due date (including extensions).
- your 2012 Indiana tax return must be filed by the April 15, 2013 due date (including extensions).

Example. Jim had a valid state extension of time to file (he filed a Form IT-9), which extended the time he had to file his 2011 state tax return to June 18, 2012. He filed on June 11, 2012. Therefore, his 2011 state return was timely filed.

Example. While Sue knew she would be getting a refund, she didn’t have all her tax statements for 2011, and the filing deadline was fast approaching. Therefore, she filed for a federal extension of time to file (Form 4868) with the Internal Revenue Service, which extended the time to file her federal tax return to Oct. 15, 2012. (Not only does Indiana accept the federal extension of time to file, an additional 30 days are added for state tax filing purposes.) She filed her state and federal tax returns on Oct. 15, 2012, making her state return timely filed.

Example. Michael knew he would be on vacation and unable to file his 2012 federal and state tax returns by the April 15, 2013 filing due date. He also knew that he wasn’t getting a refund, but owed additional tax. On April 1, 2013, he paid the anticipated federal amount due via Form 4868 and the state amount due via Form IT-9. **Important.** While Michael’s state return will be considered to be timely filed as long as he files by Nov. 15, 2013 (by the Oct. 15, 2013 federal extension filing date plus 30 days), he is not eligible to file Form IT-40EZ. Instead, he must file Form IT-40 to be able to claim credit for the payment made with the state extension of time to file (Form IT-9).

For additional information about how an extension of time to file works, see page 5.

Line 19 – Penalty

If your tax return is filed after the April 15, 2013, due date and you have an amount due, you will probably owe a penalty. Penalty is 10 percent of the amount due on line 18 or \$5, whichever is greater.

Exception: If you have an extension of time to file, are filing by the extended filing due date and have prepaid at least 90 percent of the amount due by April 15, 2013, then no penalty is due. However, you cannot file Form IT-40EZ; you must file Form IT-40 to take advantage of this exception. Get Form IT-40 at www.in.gov/dor/4657.htm.

Line 20 – Interest

If your tax return is filed after the April 15, 2013, due date and you have an amount due, you will owe interest (even if you have a valid extension of time to file). Line 21 – Amount you owe - payment options

There are several ways to pay the amount you owe. Make your check, money order or cashier's check payable to: Indiana Department of Revenue. Just include the payment loose in the envelope. **Do not staple** it to the return. **Do not send cash.**

You may pay using the **eCheck** payment method. This service uses a paperless check, and may be used to pay the tax due with your Indiana individual income tax return, as well as any billings issued by the

Indiana Department of Revenue for any tax type. To pay, go to www.in.gov/dor/epay and follow the step-by-step instructions. You will receive a confirmation number and should keep this with your tax filing records. The fee for using this service is \$1.

Note: All payments made to the Indiana Department of Revenue must be made with U.S. funds.

You may also pay by using your American Express® Card, Discover® Card, MasterCard® or VISA® by calling 1-800- 2-PAY TAX (1-800-272-9829). Or, log on to www.in.gov/dor/epay and use your Discover® Card, MasterCard® or VISA® to make a payment. A convenience fee will be charged by the credit card processor based on the amount you are paying. You will be told what the fee is and you will have the option to either cancel or continue the credit card transaction.

Payment plan option.

- If you cannot pay the full amount due at the time you file, you may be eligible to set up a payment plan online.
- After you get a tax bill, log on to www.intaxpay.in.gov and follow the directions.
- Important. If using the payment plan option, penalty and interest will be due on all amounts paid after the April 15, 2013, due date.

Indiana Deduction Worksheet Instructions (located on back of Form IT-40EZ)

Line 1 – Renter's Deduction

You may be able to take the renter's deduction if you paid rent on your principal place of residence, and the place you rented was subject to Indiana property tax. Your "principal place of residence" is the place where you have your true, fixed, permanent home and where you intend to return after being absent. If you rented a mobile home or paid rent on a lot for your mobile home, you may claim the renter's deduction if the above requirements are met.

You cannot claim the renter's deduction if the rental property was exempt from Indiana property tax. Examples of this type of property are:

- government owned housing,
- property owned by a nonprofit organization,
- student housing,
- property owned by a cooperative association, or
- property located outside of Indiana.

The renter's deduction is the actual amount of rent paid or \$3,000, whichever is less. You must complete all the information on the worksheet. If you moved during the year or had more than one landlord, you must list the same information for each place that you rented. Enclose additional sheets if necessary.

Important: You must maintain copies of your rental receipts, landlord identifying information, and lease agreements as the Department can require you to provide this information.

Line 2 – Nontaxable portion of unemployment compensation

If you received unemployment compensation during 2012, you may be eligible for a deduction. Complete the worksheet on page 8 to determine the amount of your deduction.

County Tax Instructions

Complete Schedule CT-40EZ if, on Jan. 1, 2012, you and your spouse (if married) lived and/or worked in an Indiana county that has a tax. As of Jan. 1, 2012, Lake County* was the only county in Indiana that did not have a county tax.

*While Lake County had not adopted a county tax by the time this booklet was finalized, the county may have by year's end. See *Special Instructions for Lake County Residents* on page 10 if you lived in Lake County on Jan. 1, 2012.

You are not required to enclose Schedule CT-40EZ with your return if, on Jan. 1, 2012, you were:

- Single and did not live in Lake or Perry County, or
- Married and each lived in the same county, unless one or both of you lived in Lake or Perry County.

You are required to enclose Schedule CT-40EZ if you are subject to county tax and you have any other filing situation.

Important county tax rate information

This year Indiana counties were allowed to adopt or increase their local income tax rates through Oct. 31, 2012. This publication was finalized before that date. This means your county tax rate on the chart on the back of Schedule CT-40EZ may not be correct. We encourage you to contact us in one of the following ways to get an updated list of the rates before filing. To get the updated list you may:

- Log on to the Department's website at www.in.gov/dor/4658.htm.
- Call the form order request line at (317) 615-2581 to have one mailed to you.
- Call our main tax line at (317) 232-2240 Monday – Friday, 8 a.m. to 4:30 p.m., and a representative will assist you.

Tax returns filed using the wrong rates will be adjusted. This may result in a reduced refund, or an increase in the amount you owe.

County of residence

Your county of residence is the county where you maintained your home on Jan. 1, 2012. If you had more than one home in Indiana on this date, then your county of residence as of Jan. 1, 2012, was:

- where you were registered to vote. If this did not apply, then your county of residence was
- where your personal automobile was registered. If this did not apply, then your county of residence was
- where you spent the majority of your time in Indiana during 2012.

If you moved to another Indiana county after Jan. 1, 2021, your county of residence for tax purposes will not change until next year.

- If, on Jan. 1, 2012, you lived in a county that has a tax, then you will owe county tax on all of your Indiana adjusted gross income.
- If, on Jan. 1, 2012, you lived in a county that has no tax, then county tax will be figured on your income from your principal employment if the county where you worked on Jan. 1, 2012, has a tax.

Special note to married taxpayers

- If you lived in different counties on Jan. 1, 2012, both of you need to figure your county tax separately on Section 1.
- If both of you lived in a county on Jan. 1, 2012, that had no tax but worked in a county that did have a tax, you must figure your tax separately on Section 2.

Section 1 Instructions

Line 1 – If you are filing a single return, enter on line 1A the amount from Form IT-40EZ, line 5.

- If you are filing a joint return and you both lived in the same county that has a tax on Jan. 1, 2012, enter on line 1A the amount from Form IT-40EZ, line 5. Leave Column B blank.
- If you are filing a joint return and you lived in different counties on Jan. 1, 2012, then enter your share of the income on line 5 of the IT-40EZ. See how to do this in Example 1 below.

Example 1- On Jan. 1, 2012, Jim and Rita lived in different counties. Their share of the income on line 5 of their IT-40EZ is figured in the following way:

Breakdown	Jim's	Rita's	IT-40EZ Line 5 Net
Wages	\$23,000	\$21,000	\$44,000
Interest	+ 40	+ 40	+ 80
Renter's deduction	- 750	- 750	- 1,500
Exemption	- 1,000	- 1,000	- 2,00
Totals	\$ 21,290	\$19,290	\$40,580*

Jim will enter \$21,290 on line 1A and Rita will enter \$19,290 on line 1B.

* This should match their IT-40EZ line 5 amount.

County where you worked

This is the county where your main place of business was located or where your main work activity was performed on Jan. 1, 2012. If you began working in another county after Jan. 1, 2012, the county where you worked for tax purposes will not change until next year. If you had more than one job on Jan. 1, 2012, the county where you worked is based on the job where you worked the most hours and earned the most income.

Example 2 - Jessie worked in Marion County on Jan. 1, 2012. She quit that job and began a new one in Johnson County on Feb. 10, 2012. Marion County is the county where she worked for 2012 even though she changed jobs during the year.

Principal employment income

You must figure your principal employment income if, on Jan. 1, 2012, you lived in a county that didn't have a tax but worked in a county that did have a tax. You will be filling out Section 2 instead of Section 1. Your principal employment income is income you earned from your main work activity (job) for the entire year.

Example 3 - Jessie earned \$1,000 at her Marion County job from Jan. 1 through Feb. 2, 2012. She earned \$14,000 at her Johnson County job she began on Feb. 10 and worked through year's end. Her principal employment income for the year subject to Marion county tax is \$15,000.

Example 4 - Steve earned \$15,000 from his full-time job. He also earned \$2,000 from a part-time job. If you work a part-time job and a full-time job at the same time, only the income earned from the job where you worked the most hours and made the most income will be principal employment income subject to tax. Steve's principal employment income that is subject to county tax is \$15,000.

Section 2 Instructions

Note: See the Lake County instructions below. If Lake County adopted a tax, STOP. Do not complete Section 2. Otherwise, continue completing Section 2.

Line 1 – Enter your principal employment income on line 1A. If you are married, enter your spouse's principal employment income on line 1B.

Special Instructions for Lake County Residents

If you and/or your spouse lived in Lake County on Jan. 1, 2012, then read the following instructions.

For the 2012 tax year, Indiana counties were allowed to adopt or increase their county tax rates through Oct. 31, 2012. This publication

was finalized before that date. This means that even though no tax rates are listed with Lake County on the back of Schedule CT-40EZ, the county may have adopted a local income tax before the end of the year.

To determine if Lake County did adopt a local income tax, you must contact us to get an updated list of the rates before filing. To get the updated list you may:

- Log on to the Department's website at www.in.gov/dor/4658.htm.
- Call the form order request line at (317) 615-2581 to have one mailed to you.
- Call our main tax line at (317) 232-2240 Monday – Friday, 8 a.m. to 4:30 p.m., and a representative will assist you.

If you find that Lake County did not adopt a tax (no resident or nonresident rates will be on the updated chart), skip the following information. Return to Section 2 Instructions to see if you owe tax to another county.

If you find that Lake County has adopted a county tax (resident and nonresident rates will be on the updated chart), you'll have to:

- Complete Section 1 of Schedule CT-40EZ, and
- Enter information about where you lived.

If you lived in one of the following Lake County cities or towns on Jan. 1, 2012, enter the 4-digit code number associated with that location on Schedule CT-40EZ. If you did not live within the city or town limits, or lived in another Lake County community not on the list, enter the 4-digit code number 4599.

Additional Information

Deceased individual information

If the taxpayer and/or spouse died during 2012, and this return is being filed with his/her name on it, make sure to enter the month and day of death in the appropriate box located on the back of the IT-40EZ. For example, a date of death of Jan. 9, 2012, would be entered as 01/09/2012.

Note: If the taxpayer and/or spouse died before or after 2012, do not enter his/her date of death in this box.

Signature section

If this is a joint return, both you and your spouse must sign and date the tax return. Please enter your daytime telephone number so we can call you if we have any questions about your tax return. Also, enter your e-mail address if you would like us to be able to contact you by e-mail.

Signing a tax return for a deceased individual

If a joint return is filed by the surviving spouse, the surviving spouse should sign his/her name and after the signature write: "Filing as Surviving Spouse".

If filing a return for a deceased individual, an executor or administrator appointed to the deceased's estate must file and sign the return (even if this isn't the final return), indicating their relationship after their signature (e.g. administrator).

If an executor or administrator has not been appointed, the person filing the return should sign and give their relationship to the deceased (e.g. "John Doe, nephew").

A refund check for a deceased individual

If you (the surviving spouse, administrator, executor or other) have received a refund check and cannot cash it, contact the Department to get a widow's affidavit (POA-30) or a distributee's affidavit (POA-20) at www.in.gov/dor/3508.htm. Send the completed affidavit, the refund check and a copy of the death certificate to the State Auditor's Office so a refund check can be issued to you.

Personal representative information

Typically, the Department will contact you (and your spouse, if married) if there are any questions or concerns about your tax return. If you wish to allow the Department to discuss your tax return with someone else (e.g. the person who prepared it, a relative or friend, etc.), you will need to complete this area.

First, you must place an X in the "Yes" box, which follows the sentence "I authorize the Department to discuss my tax return with my personal representative."

Next, enter:

- The name of the individual you are designating as your personal representative,
- That person's telephone number,
- That person's complete address.

If you complete this area, you are authorizing the Department to be in contact with someone other than you concerning information about this tax return. **Note:** If you are due a refund, it will be paid to you (and your spouse, if filing jointly) even if you designate a personal representative.

You may decide at any time to **revoke** the authorization for the Department to be in contact with your personal representative. If you do, you will need to tell us that in a signed statement. Include your name, Social Security number and the year of your tax return. Mail your statement to Indiana Department of Revenue, P.O. Box 40, Indpls., IN 46206-0040.

Paid preparer information

Have your paid preparer complete this area (even if the paid preparer is the same individual designated as your personal representative).

The paid preparer must provide:

- The name of the firm that he/she represents,
- The preparer's tax identification number (PTIN), and
- The firm's address or his/her address if self-employed.

Opt-Out Designation

There are many benefits to electronic filing, which include:

- Elimination of math errors,
- Faster refunds,
- Fast and free filing (with the state's Free File program).

If you use a paid preparer and do not want your tax return to be filed electronically, you must complete a state Form IN-OPT. This form requires your signature (and your spouse's, if married), and must be maintained by your paid preparer with his or her records. Get Form IN-OPT at www.in.gov/dor/4657.htm for more information.

Taxpayer Advocate

As prescribed by the Taxpayer Bill of Rights, the Department has an appointed Taxpayer Advocate whose purpose is to facilitate the resolution of taxpayer complaints and complex tax issues. If you have a complex tax issue, you must first pursue resolution through normal channels, such as contacting the tax administration division (317-232-2240). If you are still unable to resolve your tax issue, or a tax assessment places an undue hardship on you, you may receive assistance from the Office of the Taxpayer Advocate.

For more information, and to get required schedules if filing for an offer in compromise or a hardship case, visit our website at www.in.gov/dor/3883.htm. You may also contact the Office of the Taxpayer Advocate directly at this e-mail address: taxpayeradvocate@dor.in.gov, or by telephone at (317) 232-4692. Submit supporting information and documents to: Indiana Department of Revenue, Office of the Taxpayer Advocate, P.O. Box 6155, Indianapolis, IN. 46206-6155.

Contributions to the Indiana Nongame Wildlife Fund

Donations to the Nongame Wildlife Fund assist the Indiana Department of Natural Resources to manage and protect over 750 nongame and endangered wildlife species. Your contributions to the Fund have brought ospreys and bald eagles back to our skies and river otters to our waters.

These reintroduction programs, as well as many other restoration, management and educational projects implemented by the Wildlife Diversity Program rely on donations from individuals like yourself. The Program is funded almost exclusively by donations to the Indiana State income tax check-off and direct donations.

If you would like to make a donation to the Fund, you may donate all or a portion of your tax refund on Line 15 of the IT-40EZ. To make a direct donation, you can also complete the form below and mail it with a check or money order made payable to the Fund to: Nongame Wildlife Fund, Division of Fish and Wildlife, W-273, 402 West Washington St., Indianapolis, IN 46204.
