Instructions for Form 4594

Michigan Farmland Preservation Tax Credit

Purpose

To allow the taxpayer to claim the Farmland Preservation Tax Credit.

The Farmland Preservation Tax Credit gives a share of the property tax paid on farmland back to farmland owners. Farmland owners qualify for credit by agreeing to keep the land as farmland and not develop it for another use.

NOTE: This form must be filed with the *Michigan Business Tax Annual Return* (Form 4567).

NOTE: Beginning January 1, 2012, only those taxpayers with a certificated credit, which is awarded but not yet fully claimed or utilized, may elect to be MBT taxpayers. If a taxpayer files an MBT return and claims a certificated credit, the taxpayer makes the election to file and pay under the MBT until the certificated credit and any carryforward of that credit are exhausted. A taxpayer making a valid certificated credit election may also claim the credits on this form.

Requirements

To qualify, the following requirements must be met:

- Taxpayer must own farmland, and
- Taxpayer must have entered into a Farmland Development Rights Agreement (FDRA) with the Michigan Department of Agriculture (MDA).

If agreements were entered into on or after January 1, 1978, the gross receipts qualifications in Part 1 must be met.

Farmland Development Rights Agreement

Through an FDRA, a taxpayer may receive property tax relief in return for a pledge not to change the use of the taxpayer's lands.

NOTE: The FDRA restricts development of land. Before making any changes to property covered under this agreement or to its ownership, consult the MDA. Some changes may make property ineligible for credit.

Filing the Correct Form

The following should file using Form 4594:

- Estates, include property taxes from the date of death and farm income required to be reported on the entity's U.S. Form 1041.
- Corporations other than S Corporations.
- S Corporations that had an FDRA before January 1, 1989, and in 1991 elected to file under the Single Business Tax (SBT) Act on the *Farmland Preservation Tax Credit* (Form C-8022).
- Trusts, except as noted below.

The following should file using the MI-1040CR-5:

- Individuals who own a farm independently.
- Representatives of deceased individuals who were unmarried at time of death. Include property taxes and income from January 1 to the date of death.

- Partnerships.
- Joint owners.
- S Corporation shareholders, except shareholders of S Corporations who had an FDRA before January 1, 1989, and in 1991 elected to file under the SBT Act on Form C-8022.
- Grantor Trusts (if treated as an owner under Internal Revenue Code § 671 to 679).
- Trusts created by the death of a spouse if the Trust requires 100 percent of the income from the Trust to be distributed each year to the surviving spouse.

Form MI-1040CR-5 is available on the Department of Treasury (Treasury) Web site at www.michigan.gov/treasuryforms.

Claiming the Credit

Income from taxpayers whose primary activity results from agricultural production is no longer exempt from taxation. Form 4594 should not be filed alone. It must now be accompanied by Form 4567, *MBT Refundable Credits* (Form 4574), *Schedule of Corporate Income Tax Liability for a Michigan Business Tax Filer* (Form 4946), and *Schedule of Certificated Credits* (Form 4947), at minimum.

Attach a copy of U.S. Form 1120 or 1041, page 1, and copies of all the federal schedules completed for the federal tax return. The following must also be attached:

- A copy of the taxpayer's 2012 property tax statement(s) with corresponding agreement numbers listed on each.
- A copy of the receipt showing that 2011 or 2012 property taxes were paid. If property taxes have not been paid or receipt(s) is not attached, Treasury will mail a check made jointly payable to the Corporation, Estate, or Trust, AND the county treasurer for the county where the property is located. (A new check payable only to the Corporation, Estate or Trust will not be issued if it is later proved that the taxes had been paid.)
- If the property tax statement includes property that is not covered under an FDRA, the taxpayer must show what portion of total acreage and property tax is for land enrolled in the FDRA. A local equalization officer or local assessor must give this information on official letterhead if it is not listed separately on property tax bills.

When to Claim a New Agreement

New agreements must be approved by the local government by November 1, 2012, to claim a 2012 credit. However, the FDRA is not final until a copy that has been recorded at the Register of Deeds is received from the MDA. Credit for the new FDRA will not be allowed unless a copy of the recorded agreement is attached to the return. If the taxpayer doesn't get a copy of the recorded agreement before April 30, file the return without that agreement. File a new Form 4594 with the amended box checked when the FDRA is received.

Jointly Payable Checks

The taxpayer should take the check, check stub, and a copy

of the FDRA(s) to the county treasurer(s) who will have the taxpayer endorse the check and then use the refund to pay any delinquent taxes. Any remaining amount will be returned to the taxpayer.

Property Taxes That Can Be Claimed for Credit

The property taxes levied in 2012 on enrolled land are eligible for the 2012 credit, regardless of when they are paid.

Ad valorem property taxes that were levied in 2012, including collection fees up to 1 percent of the taxes, can be claimed for credit. Special assessments (those not based on taxable value), penalties, and interest cannot be claimed.

Taxes on land not eligible for either the principal residence or qualified agricultural property exemptions most likely are not eligible for the Farmland Preservation Tax Credit. The exception is rental property where the tenant spends at least 1,040 hours per year participating in the farming operation. To compute the taxes that can be claimed for credit, exclude the school operating tax and multiply the balance by the percentage of exemption allowed by the local taxing authority.

EXAMPLE:

Taxes levied	\$2,000
School operating tax	\$350
Principal residence exemption	60%

$$\begin{array}{r}
 \$2,000 \\
 - \quad 350 \\
 \hline
 \$1,650
 \end{array}
 \quad
 \begin{array}{r}
 \$1,650 \\
 \times \quad 60\% \\
 \hline
 \$990
 \end{array}
 \text{ can be claimed for credit}$$

If the taxpayer has entered into more than one FDRA with the MDA, the sum of the taxes under each agreement is used to compute the credit. The amount of credit the taxpayer will receive is based on adjusted business income. Taxes levied on rental property cannot be claimed for credit unless the tenant is involved in the farm operation.

Claiming a Credit for Farms Purchased in 2011 That Were Already Enrolled in the Program

The Farmland Preservation Tax Credit will be processed only if there is a farmland agreement on file with the MDA IN THE SAME NAME AS THE TAXPAYER'S DEED. The taxpayer must prorate the 2011 taxes for the period the land was owned and claim credit based on those taxes only.

Line-by-Line Instructions

Lines not listed are explained on the form.

Dates must be entered in MM-DD-YYYY format, unless otherwise instructed.

Amended Returns: To amend a current or prior year annual return, complete the Form 4594 and, minimally, the Form 4567, for any prior year, as well as any other form filed with the original return if current year. Attach a separate sheet explaining the reason for the changes. Include an amended federal return or a signed and dated Internal Revenue Service (IRS) audit document. Include all schedules filed with the

original return, even if not amending that schedule. Enter the figures on the amended return as they should be. Do not include a copy of the original return with your amended return.

Line 1: Tax year of claim. Enter the ending month, day, and year of the annual accounting period in which this credit is claimed.

EXAMPLE: A participant with a tax year ending December 31 claims a credit for the 2012 property taxes in the tax year ending in December 2012.

Line 2: Country Code: If other than the United States, enter the country code. See the list of country codes in the *MBT Instruction Booklet for Standard Taxpayers* (Form 4600) on the Web at www.michigan.gov/taxes.

Line 3: Enter the entity's six-digit North American Industry Classification System (NAICS) code. For a complete list of six-digit NAICS codes, see the U.S. Census Bureau Web site at www.census.gov/epcd/www/naics.html, or enter the same NAICS code used when filing the entity's U.S. Form 1120, *Schedule K*, U.S. Form 1120S, U.S. Form 1065, or U.S. Form 1040, *Schedule C*.

Line 6: Check the box that describes the organization type. A Trust or Limited Liability Company (LLC) should check the appropriate box based on its federal return.

PART 1: GROSS RECEIPTS QUALIFICATION

Applies only to agreements entered into on or after January 1, 1978.

If agreements were entered into on or after January 1, 1978, eligibility for a Farmland Preservation Tax Credit must be determined using one of the two qualification formulas provided below. If all agreements began before January 1, 1978, skip to Part 2.

IMPORTANT: Once a qualification formula is elected, all future claims must be filed using that formula.

Total Receipts Formula on line 13: This formula compares agricultural gross receipts to property taxes on the enrolled land in each of the five tax years preceding the tax year of this claim. If gross receipts are more than five times property taxes in at least three of the five tax years, this formula may be used.

Average Receipts Formula on line 18: This compares the average of the agricultural gross receipts for three tax years preceding the tax year of this claim to property taxes on the enrolled land in the first year under the agreement. If average receipts are more than five times property taxes in the first year, this formula may be used.

Line 9: Enter each of the years immediately preceding the claim year. Enter the most current year in column A.

Line 10: Enter the property taxes for each year reported on line 9 that are attributable to land enrolled on or after January 1, 1978. Do not include property taxes on land enrolled before January 1, 1978, or property taxes on structures or any other lands not enrolled in an FDRA.

Line 12: Enter the agricultural gross receipts for the tax years immediately preceding the tax year of this claim. Agricultural gross receipts are receipts from the business of farming as defined in the IRS Regulation 1.175-3.

If the taxpayer's farm operation was incorporated during this five-year period and the ownership before and after date of incorporation is identical, report gross receipts for all five tax years. If the ownership changed, enter gross receipts only for those tax years since incorporation.

PART 2: TAXES THAT CAN BE CLAIMED FOR CREDIT AND ALLOCATION TO EACH AGREEMENT

For taxpayers with four or fewer agreements: Using the instructions below for line 19, columns A through D, complete lines 19A through 19D for each agreement, then enter in line 20D the total of column 19D. Using the total in line 20D, complete line 19E for each agreement. In line 20E, enter the total of all percentages from column 19E, which must equal 100 percent.

Then complete lines 21 through 29. Using the total credit reported on line 29, return to the table in line 19 and complete line 19F for each agreement. Finally, in line 20F, enter the total of all allocated credits from column 19F, which must equal line 29.

Enter amounts in whole dollars only (no cents).

For taxpayers with five or more agreements: Using the instructions below for line 19, columns A through D, complete lines 19A through 19D on the primary copy of the form with data from four agreements. Use additional copies of page 1 of this form to report the remaining agreements. On each additional copy of page 1 that is used:

- Enter the taxpayer's name on line 2 and FEIN/TR number on line 5.
- Leave all other fields (including line 20) blank, except line 19.
- Complete lines 19A through 19D for each agreement.

Then enter in line 20D of the primary copy of this form (the copy with all applicable fields filled) the total of columns 19D from all copies. Using this total in line 20D of the primary copy, complete line 19E for each agreement on all copies. In line 20E of the primary copy, enter the total of all percentages from columns 19E from all copies, which must equal 100 percent.

Then complete lines 21 through 31. Using the total credit reported on line 29, return to the table in line 19 and complete line 19F for each agreement on all copies. Finally, in line 20F of the primary copy, enter the total of all allocated credits from column 19F from all copies, which must equal line 29.

Enter amounts in whole dollars only (no cents).

Line 19:

- **Column A:** Enter the farmland preservation agreement number assigned by the MDA. Agreement (or contract) number is found in the lower-right corner of each agreement. The first two numbers are the county where the property is located. The middle set of numbers is the actual contract number. The final six numbers are the year of expiration, for example, 123111 (December 31, 2011). The contract

number retains its original series throughout the term of the agreement. However, a letter may be added to indicate that the agreement was split into multiple agreements. The final six numbers change when the agreement is shortened or extended. Always use the contract number on the most recently recorded agreement, and attach a copy of each 2011 tax statement that corresponds to the agreement number listed. The expiration date may never be earlier than the year of the return being prepared.

- **Column B:** For each agreement, check the box if paid tax receipts for 2011 or 2012 are attached. The Farmland Preservation Tax Credit will be issued jointly to the taxpayer and the treasurer for the county where the property is located if the receipts are not attached.

NOTE: In addition to paid tax receipts as described above, attach copies of 2012 property tax statements. Be sure the corresponding agreement number is on each tax statement.

- **Column C:** Enter the date each agreement was entered into (MM-DD-YYYY).

- **Column D:** Enter the total amount of tax on land and structures under agreement from tax statements. Do not include penalties, interest, or special assessments. Collection fees may be included. If the taxpayer is a joint owner, enter only the taxpayer's share of taxes.

NOTES: If the property tax statement includes taxes for land not covered by an FDRA, the taxes reported in column D must be reduced accordingly. The amount of taxes that cannot be claimed must be determined by the local assessor's office and submitted on his or her official letterhead. The 1 percent collection fee may be included. Do not include penalties, interest, or special assessments.

If the property tax statement includes taxes for land on more than one agreement, the taxes reported in column D must be separated according to land in each agreement. The local assessor will be able to determine what the breakdown is based on the legal descriptions of the land enrolled under each agreement.

Line 20: If multiple copies of page 1 of Form 4594 are included, leave line 20 blank on all copies except the primary copy (see above, instructions for Part 2). Lines 20D, 20E, and 20F on the primary copy must reflect totals for all copies of the form.

Line 21: Taxes on land enrolled after December 31, 1977. If qualified under one of the gross receipts formulas (line 13 or line 18), enter the taxes from column D on land and structures enrolled after December 31, 1977. Otherwise, enter zero.

PART 3: TAXES THAT CANNOT BE CLAIMED FOR CREDIT

Enter on lines 24 through 28 the amounts for the tax year of this claim (the year entered on line 1).

Line 24: Enter the amount from Form 4567, line 49. This amount can be less than zero.

Unitary Business Groups (UBGs): If the eligible taxpayer is a member of a UBG, a pro forma calculation must be performed to determine the Business Income Tax base of the eligible taxpayer. This supporting pro forma calculation should be attached to the return as supporting documentation.

Line 26: This includes all shareholder compensation that was deducted in calculating federal taxable income. Complete the *MBT Schedule of Shareholders and Officers* (Form 4577) and attach it to this claim.

E-filing MBT Returns

Michigan has an enforced e-file mandate for MBT. Software developers producing MBT tax preparation software and computer-generated forms must support e-file for all eligible Michigan forms that are included in their software package. All eligible MBT returns prepared using tax preparation software or computer-generated forms must be e-filed.

Treasury will be enforcing the e-file mandate for MBT. The enforcement includes not processing computer-generated paper returns that are eligible to be e-filed. A notice will be mailed to the taxpayer, indicating that the taxpayer's return was not filed in the proper form and content and must be e-filed. Payment received with a paper return will be processed and credited to the taxpayer's account even when the return is not processed.

Treasury will continue to accept certain Portable Document Format (PDF) attachments with MBT e-filed returns. A current list of defined attachments is available in the MBT "Electronic Filing Tax Preparer Handbook," which is available on the Treasury Web site at www.MIfastfile.org by clicking on "Business Taxpayer," then "Michigan Business Tax E-File," and looking under "Tax Preparer Resources." Follow your software instructions for submitting attachments with an e-filed return.

If the MBT return includes supporting documentation or attachments that are not on the predefined list of attachments, the return can still be e-filed. Follow your software instructions for including additional attachments. The tax preparer or taxpayer should retain file copies of all documentation or attachments.

For more information and program updates, including exclusions from e-file, visit the e-file Web site at www.MIfastfile.org.

The taxpayer may be required to e-file its federal return. Visit the IRS Web site at www.irs.gov for more information on federal e-file requirements and the IRS Federal/State Modernized e-File (MeF) program.
