## Michigan Corporate Income Tax: Schedule of Flow-Through Withholding

### Purpose

The purpose of this form is to report the Flow-Through Withholding (FTW) payments made by a flow-through entity on behalf of a Corporate Income Tax (CIT) filer.

### General Instructions

This form must be used by a taxpayer that is a standard filer, insurance company, financial institution, or unitary business group (UBG) that has an ownership or beneficial interest in a flow-through entity that has remitted FTW payments to the state of Michigan on behalf of the taxpayer that is filing this form. Reported on this form will be the FTW payments made by the flow-through entity if that flow-through entity's tax year ended with or within the tax year of the taxpayer filing this form.

In addition to being required to withhold on the distributive share of income received by nonresident individual members, a flow-through entity that reasonably expects to have more than \$200,000 in business income after allocation and apportionment in the tax year is also required to withhold on the distributive share of income received by its members that are C Corporations and other flow-through entities. Financial institutions and insurance companies are not required to be withheld on. However, if the financial institution or insurance company was withheld on under FTW, it must complete this form.

A flow-through entity is an entity that, for the applicable tax year, is treated as a subchapter S corporation under section 1362(a) of the internal revenue code, a general partnership, a trust, a limited partnership, a limited liability partnership, or a limited liability company that is not taxed as a C Corporation for federal income tax purposes.

**Columns A and B:** Identify each flow-through entity that remitted Flow-Through Withholding payments on behalf of the taxpayer filing this form by name and FEIN.

**Column D:** Enter the unapportioned distributive share of taxable income received from the flow-through entity as it is listed on the notice of withholding provided by the flow-through entity.

**Column E:** Enter the FTW payments made on behalf of the taxpayer by the flow-through entity as it is listed on the notice provided to the taxpayer by the flow-through entity. Included on this column would be FTW payments made by flow-through entities whose tax years ended with or within the tax year of the taxpayer filing this form.
