Schedule KS Instructions 2012

Shareholder's use of information provided on Schedule KS

Purpose of Schedule KS

Schedule KS is a supplemental schedule provided by the S corporation to its shareholders. The shareholders need this information to complete a *Minnesota Individual Income Tax Return*, Form M1.

A shareholder who is a Minnesota resident will be taxed by Minnesota on all of his or her distributive income from the S corporation even if the income is apportioned between Minnesota and other states. A nonresident shareholder will be taxed on the Minnesota distributive income from the S corporation.

These instructions are intended to help you report your share of the S corporation's income, credits and modifications on your Minnesota return.

You must include Schedule KS when you file your Form M1. If you do not include the schedule with your return as required, the department will disallow any credits and assess the tax or reduce your refund.

If you received an amended Schedule KS from the S corporation and your income or deductions have changed, you must file an amended Minnesota return. To amend your return, use Form M1X, *Amended Minnesota Income Tax Return*.

Line 21

Minnesota Source Gross Income

Minnesota source gross income is used to determine if a nonresident is required to file a Minnesota income tax return. Gross income is income before business or rental deductions and does not include losses.

If your 2012 Minnesota source gross income is \$9,750 or more and you did not elect composite filing, you are required to file Form M1 and Schedule M1NR, *Nonresidents/Part-Year Residents*.

If your 2012 Minnesota source gross income is less than \$9,750 and you had Minnesota tax withheld (see line 35), file Form M1 and Schedule M1NR to receive a refund.

Lines 22–32

Minnesota Portion of Federal Amounts

Lines 22–32 apply to nonresident shareholders. All income of a Minnesota resident is assigned to Minnesota, regardless of the source.

If certain items are not entirely included in your federal adjusted gross income because of passive activity loss limitations, capital loss limitations, section 179 limitations or for other reasons, include only the amounts that you included in your federal adjusted gross income.

Include the amounts from lines 22–32 on the corresponding lines in column B of Schedule M1NR.

Lines 33–35

Composite Income Tax and Nonresident Withholding

Although Minnesota source gross income (line 21) determines whether you must file a Minnesota return, your Minnesota source distributive income is ultimately taxed.

Lines 33–35 were used to determine your share of the S corporation's Minnesota source distributive income. You may need to refer to these amounts when you file your home state's income tax return.

If you are required to pay Minnesota tax on your Minnesota source distributive income, the S corporation is required to withhold tax, unless you elect to have the S corporation pay composite tax to Minnesota on your behalf. If you elected for the S corporation to pay composite tax, you are not required to file Form M1.

Line 33. Your Minnesota source distributive income is considered your Minnesota taxable income from this S corporation.

If there is an amount on line 35 for Minnesota income tax was withheld, you must include your Minnesota source distributive income from line 33 on Schedule M1W, line 7, column B.

Line 34. If you elected composite income tax, the amount paid on your behalf equals 7.85 percent of your Minnesota taxable income on line 33, minus your share of any credits on lines 12, 13, 15 and 16. (You are not entitled to your share of the Increasing Research Activities Credit if you elected composite income tax.)

You are not required to file Form M1.

Line 35. If you did not elect composite income tax, the S corporation may be required to withhold tax from your Minnesota source distributive income. The amount withheld equals 7.85 percent of your Minnesota taxable income on line 33, minus your share of any credits on lines 12–16.

To claim nonresident withholding when you file your Form M1, include the amount from Schedule KS, line 35 on Schedule M1W, line 7, column C. Also include the amount from Schedule KS, line 33 on Schedule M1W, line 7, column B. You must include this schedule when you file your return.
