Instructions

General information

Railroad and trucking corporations include corporations, joint-stock companies, limited liability companies, publicly traded partnerships that are taxed as corporations under the Internal Revenue Code, and associations formed for, or principally engaged in, the conduct of a railroad, palace car, sleeping car, or trucking business, or formed for, or principally engaged in, the conduct of two or more such businesses.

Railroad and trucking corporations are subject to tax under Article 9-A or Article 32 (for certain subsidiaries of banks), **unless** they elect to be taxed under Article 9, sections 183 and 184. For more information, see *Filing requirements for railroad and trucking corporations* in Form CT-183/184-I, *Instructions for Forms CT-183 and CT-184*, or see TSB-M-97(8)C, *Railroad and Trucking Corporations Subject to Tax under Article* 9, 9-A or 32 of the Tax Law.

Election

To be taxed under Article 9, sections 183 and 184, mark an *X* in the box and complete the *Election* section. To be taxed under Article 9, sections 183 and 184, you must file Form CT-187 no later than the due date (without extensions) of the first return that would be due under Article 9, section 183 or 184; Article 9-A; or Article 32. **This election will remain in effect until revoked by the taxpayer.**

Revocation of election

To revoke an election, mark an X in the box and complete the *Revocation of election* section. You must file Form CT-187 by March 15 of the first year your corporation is not to be taxed under Article 9. If March 15 falls on a Saturday, Sunday, or legal holiday, the revocation is due on the next business day. The revocation will be effective as of January 1 of that year. A revocation filed after the due date will take effect the following January 1. This revocation is permanent; once you revoke an election, you may not later elect again to be taxed under Article 9, sections 183 and 184.
