When is Ohio form IT 1041ES required to be filed?

The estate or trust must file estimated tax payments and file Ohio form IT 1041ES if the combined estimated 2011 Ohio taxes and credits will be more than \$500. Ohio form IT 1041ES payments are due as follows:

Due Date	Cumulative Amount Due
Seventeenth day of the fourth month of the taxable year	22.5% of the current year tax due*
Fifteenth day of the sixth month of the taxable year	45% of the current year tax due*
Fifteenth day of the ninth month of the taxable year	67.5% of the current year tax due*
Fifteenth day after the close of the taxable year	90% of the current year tax due*

*In lieu of ratably paying in 90% of this year's tax, the taxpayer may either (i) ratably pay in 100% of last year's tax or (ii) use the annualization method to ratably pay in 90% of the tax (use the same periods of time that you would use for computing federal income tax due under the annualization method).

Interest Penalty

If income taxes are underpaid, the estate or trust must add an interest penalty to the taxes for the taxable year at the rate per annum prescribed by Ohio Revised Code section (R.C.) 5703.47. See Ohio form IT/SD 2210 available on our Web site at tax.ohio.gov.

Notes:

1. If for the taxable year beginning in 2012 the trust will distribute income attributable either to tangible personal property in Ohio or real estate in Ohio, the trust may also be liable for the pass-through entity estimated withholding tax (Ohio form IT 1140ES) and may be required to file the annual withholding tax return for pass-through entity distributive shares and certain trust distributions (Ohio form IT 1140).
2. Estates will also have to pay school district estimated income tax (Ohio form SD 100ES) if the decedent at the time of death was domiciled in a school district imposing the school district income tax on estates. See Ohio form SD 100E instructions for a listing of those school districts.
3. Under Ohio law, if a due date falls on a weekend or on a legal holiday, the due date will be on the next business day.
4. Make your Ohio extension payment on year 2012 Ohio form IT 1041EXT, which is available on the department's Web site.
5. **Important:** The rates shown in the Ohio tax tables are established by R.C. section 5747.02. Each bracket will be adjusted for inflation in July 2012, per R.C. section 5747.02.
