## School District Year 2012 Estimated Income Tax Payments Worksheet #1: Traditional Tax Base

The Ohio Legislature recently created a General Tax Amnesty and a Use Tax Amnesty program. For detailed information go to tax.ohio.gov or call 1-800-304-3211.

Use this worksheet to determine your liability for school district income tax due to a traditional tax base school district as shown in the list on pages 3-4.

For All Taxpayers:

If you filed a school district income tax return for year 2011 and if you will be making estimates based on the "last year's tax" method, skip lines 1 through 8 and enter on line 9 below 100% of the tax shown on line 6 of the 2011 Ohio form SD 100.

Note 1: If you move during the year and you will be residing in more than one school district that imposes the school district income tax, then you will need to complete a separate worksheet for each school district.

Note 2: You can avoid paying school district estimated income tax if the sum of (i) your 2012 Ohio income tax withholding and (ii) your 2012 school district income tax withholding and (iii) \$500 is equal to or greater than the sum of your 2012 Ohio income tax and your 2012 school district income tax.

### **Credit Card Payments**
