### When to complete Form IE-A

This form should be completed by any taxpayer that is applying to deduct an intangible expense from its net earnings or losses on Schedule J of the franchise and excise tax return and that does not meet one of the exceptions – or “safe harbors” – listed in Tenn. Code Ann. § 67-4-2006(b)(2)(N)(i)(a)-(c).<sup>1</sup>

The application should be filed at least sixty (60) days prior to the original or extended due date of the taxpayer’s franchise, excise tax return. All information requested by this application must be attached. The information requested is not all inclusive, and taxpayer may be asked to submit additional documentation or clarification based on their specific facts and circumstances. Failure to submit an application will result in the disallowance of the intangible expense deduction. Failure to submit all requested information may result in the application being denied.

### Definitions

"Intangible expense" means an expense related to, or in connection with, the acquisition, use, maintenance, management, ownership, sale, exchange, license, or any other disposition of intangible property, to the extent such amounts are allowed or allowable as deductions or costs in determining federal taxable income on a separate entity basis. "Intangible expense" also means interest expenses directly or indirectly allowed as deductions or costs in determining federal taxable income on a separate entity basis to the extent such interest expenses are directly or indirectly for, related to, or in connection with the direct or indirect acquisition, use, maintenance, management, ownership, sale, exchange, license, or any other disposition of intangible property.

"Intangible property" means patents, patent applications, trade names, trademarks, service marks, franchise rights, copyrights, licenses, research, formulas, designs, patterns, processes, formats, and similar types of intangible assets;

**Add-back provision:** Intangible expenses paid to an affiliated business entity must be added to a taxpayer's net earnings or losses on Schedule J, Line 2. Failure to make this add-back on the initially-filed return may subject the taxpayer to a 50% negligence penalty. See Tenn. Code Ann. §§ 67-4-2006(b)(1)(K) and 67-1-804(b)(2).

**Deduction provision:** Intangible expenses may be subsequently deducted from net earnings or losses provided it is shown by this application that the intangible expense, or portion thereof, that is paid, accrued, or incurred in connection with a transaction with one (1) or more affiliates did not have as its principal purpose the avoidance of the Tennessee excise tax. The commissioner's review of the taxpayer's application shall include the considerations outlined in Tenn. Code Ann. § 67-4-2014(c). Taxpayer should retain proper documentation to support any deduction taken on their return.
