Purpose of Form

Use this form to request a monthly payment plan if you cannot pay the full amount you owe on your individual income tax return (or on a billing notice we sent you). Generally, you may have up to 24 months to pay. However, it is better to pay the amount you owe as soon as you can to reduce the amount of interest you will pay.

NOTE: A payment plan for business taxes is requested on form TC-804B.

Bankruptcy

If you are in bankruptcy do not use this form. Instead, call 801-297-6219 or if you are out of the Salt Lake area 1-800-662-4335 extension 6219.

How Does the Agreement Process Work?

If your request is approved, we will send you a letter. The letter will confirm your monthly payment amount and the number of required payments. It will also explain how to make your first payment. You will have the following payment options:

1. Pay by mail with check or money order.
2. Pay in person at one of our offices.
3. Pay by Internet at ***taxexpress.utah.gov***.
 - a. Electronic check (direct debit) from your checking or savings account.
 - b. Credit card (MasterCard, American Express and Discover Card). You will be charged a fee each time you use this method of payment. The fee is based on a percentage of the payment made.

By approving your request we agree to let you pay the tax you owe in monthly payments instead of immediately paying the tax in full. In return you agree to make your monthly payments on time. You also agree to **meet all of your future tax liabilities**. This means that you must have enough withholding or prepayments so that your future tax liability is paid in full when you file a timely return.

Any future year refunds due you from the Internal Revenue Service or the State will be applied against the amount you owe.

Important Note: Failure to make your payments on time or failure to file and/or pay future returns when due, will break your payment agreement. If you break the agreement we can take action to collect the tax you owe in full and place liens on your real and tangible personal property.

Form Instructions

If you are making this request for a joint filed return, enter the names and social security numbers in the same order as they appear on your tax return.

Line 4

Even if you cannot pay the full amount you owe now, pay as much as possible to lower the amount of penalty and interest you will be assessed.

If you are requesting this payment agreement at the same time you are filing your return, attach this form to the front of the return and make the payment with your return. The instructions for your tax return will tell you how to make the payment.

If you are filing this form by itself, such as in response to a billing notice, include a check or money order payable to the Utah State Tax Commission. **Do not send cash.** *Be sure to include on your check or money order your name, address, and type of return and tax year (example: "TC-40, 2011").*

Line 5

Enter the day of the month you want the payment due. This is the day the payment must be received by the Tax Commission. Note: If you are mailing your payment, allow 3 to 5 days for mail delivery.

Line 6

You must have filed a return for all prior years. List the years for which you have not filed an income tax return. If you are unable to file a return due to lost records you need to estimate your liability. Your payment agreement will not be approved until all returns have been filed. If you have questions contact us at 801-297-7703.

Signatures

If you are filing a request for a joint filed return, the signatures of both taxpayers are required.
