

FORM 770IP

Virginia Fiduciary and Unified Nonresident Automatic Extension Payment Voucher

For use when filing Form 770 or Form 765

Virginia automatically grants all taxpayers a six-month extension of time to file their fiduciary or unified nonresident tax returns.

- For calendar year filers, the filing date is automatically extended to November 1.
- You are NOT required to file Form 7701P in order to obtain this automatic extension.
- An extension of time to file **does NOT extend the amount of time you have to make your payment.**
- You must pay any **tentative tax due by May 1.**
- Penalties and interest will accrue on all late payments.

Purpose of Form 770IP

Form 770IP, Automatic Fiduciary and Unified Nonresident Extension Payment, is a payment coupon and worksheet that provides taxpayers who are unable to file their Fiduciary or Unified Nonresident income tax return by May 1 a means of calculating and remitting a payment to avoid penalty and interest.

Who Must File Form 770IP

Form 770IP is required if **ALL** of the following apply to you:

1. You cannot file your fiduciary or unified nonresident income tax return by the due date; and
2. You owe tax (this is determined by completing the Tax Payment Worksheet on the back of this page).

Do not file Form 770IP if you determine that you **do NOT owe additional tax**, or if you make your extension payment electronically using VATAX Online for Individuals.

Completing Form 770IP

Complete the Tax Computation Worksheet on the back, then enter the payment amount in the Payment Amount box on Form 770IP. Instructions for the worksheet and the form are on the back.

If additional tax is due when you file your return, you may owe penalty and interest charges in addition to the tax.

When and Where to File Form 770IP

If you are paying with a paper check or money order, file Form 7701P along with your payment **on or before May 1**, for calendar year filers, or as soon as you realize you owe any additional tax. For fiscal year filers, file Form 7701P on or before the due date of your return with payment of the balance due.

If the due date falls on a Saturday, Sunday or legal holiday, Form 770IP, with payment, may be filed on the next day that is not a Saturday, Sunday or legal holiday.

Be sure to write your FEIN, tax year and "VA 770IP" on your payment.

Send the completed return, with payment, to:

Penalty for Failure to Timely File and Pay the Tax Due

Virginia law provides for an automatic six-month filing extension, but you must pay at least 90% of your tax liability by the due date, which is May 1 for calendar year filers. If you file your return within 6 months after the due date but do not meet the 90% payment requirement, the balance of tax due with your return will be subject to an extension penalty of 2% per month, from the due date through the date of filing, to a maximum of 12%. If you file within the extension period but do not pay the full balance of tax due with your return, the balance due will be subject to a late payment penalty of 6% per month from the date of filing through the date of payment, to a maximum of 30%. The late payment penalty will be assessed in addition to any extension penalty that may apply. If you file your return more than 6 months after the due date, the extension will be void and a late filing penalty of 30% will be applied to the balance of tax due with the return.

Tentative Tax Computation Worksheet Instructions

You must refer to the income tax return you will file for the tax year to compute your tentative tax on Line 1 of the Tentative Tax Computation Worksheet.
