What's New

Form 6240 has been redesigned to be a general payment voucher, applicable for an estimated tax payment, a payment made with an extension of time to file the corporate return, or payment of an assessment by the Department of Revenue.

Purpose of Form

Form 6240 is used to accompany a payment made by check for an estimated tax payment, a payment with extension of time to file, or the payment of an assessment by the Department of Revenue. This form may also be used for a payment made by Electronic Funds Transfer (EFT) or by wire transfer.

Electronic Payment

Taxpayers are encouraged to pay taxes electronically by using the Online Tax Information System Payment Center (OTIS) or Revenue Online at www.tax.alaska.gov. A taxpayer may also print out a voucher using the OTIS system or Revenue online.

When a payment with an extension is \$150,000 or greater or any other payment is \$100,000 or greater, payment must be made by EFT or wire transfer. See Alaska Regulation 15 AAC 05.310.
