#### Instructions for Amended Connecticut Income Tax Return

**Purpose:** Use this form to amend a previously-filed 2013 Connecticut income tax return for individuals. This form may not be used to amend any other year's return. **Do not** use this form to amend **Form CT-1041** or **Form CT-1065/CT-1120SI**.

Visit the Department of Revenue Services **Taxpayer Service Center** *(TSC)* at **www.ct.gov/TSC** to file Form CT-1040X online.

If Form CT-1040X is filed to have an overpayment of Connecticut income tax refunded or credited, it must be filed before the Connecticut statute of limitations expires. Generally, the Connecticut statute of limitations for refunding or crediting any Connecticut income tax overpayment expires three years

after the due date of the return, but if a timely request for an extension of time to file a return was filed, the statute of limitations expires three years after the extended due date of the return or three years after the date of filing the return, whichever is earlier. If you were required to file an amended return, but failed to do so, a penalty may be imposed. Interest will also be assessed on any additional Connecticut income tax not paid on or before the due date.

If you are filing Form CT-1040X due to federal or another state's changes or corrections to your federal or other state's income tax return, you must check the box labeled *Federal or state changes* and enter the date of the final determination on Page 1.

### You must file Form CT-1040X in the following circumstances:

1.	The IRS or federal courts change or correct your federal income tax return and the change or correction results in your Connecticut income tax being overpaid or underpaid.	File Form CT-1040X no later than 90 days after final determination. If you file Form CT-1040X no later than 90 days after the date of the final determination, any Connecticut income tax overpayment resulting from the final determination will be refunded or credited to you even if the Connecticut statute of limitations has otherwise expired.
2.	You filed a timely amended federal income tax return and the amendment results in your Connecticut income tax being overpaid or underpaid.	File Form CT-1040X no later than 90 days after final determination. If you file Form CT-1040X no later than 90 days after the date of the final determination, any Connecticut income tax overpayment resulting from filing the timely amended federal income tax return will be refunded or credited to you even if the Connecticut statute of limitations has otherwise expired.
3.	You claimed a credit for income tax paid to a qualifying jurisdiction on your original income tax return and the tax officials or courts of the qualifying jurisdiction made a change or correction to your income tax return and the change or correction results in your Connecticut income tax being overpaid or underpaid (by increasing or decreasing the amount of your allowable credit).	File Form CT-1040X no later than 90 days after final determination. If you file Form CT-1040X no later than 90 days after the date of the final determination and you claimed credit for income tax paid to a qualifying jurisdiction on your original income tax return, any Connecticut income tax overpayment resulting from the final determination will be refunded or credited to you even if the Connecticut statute of limitations has otherwise expired.
4.	You claimed a credit for income tax paid to a qualifying jurisdiction on your original income tax return and you filed a timely amended income tax return with that qualifying jurisdiction and the amendment results in your Connecticut income tax being overpaid or underpaid (by increasing or decreasing the amount of your allowable credit).	File Form CT-1040X no later than 90 days after final determination. If you file Form CT-1040X no later than 90 days after the date of the final determination on a timely-amended return with a qualifying jurisdiction and you claimed credit for income tax paid to a qualifying jurisdiction on your original income tax return, any Connecticut income tax overpayment resulting from the final determination will be refunded or credited to you even if the Connecticut statute of limitations has otherwise expired.
5.	If none of the above circumstances apply, but you made a mistake or omission on your Connecticut income tax return and the mistake or omission results in your Connecticut income tax being overpaid or underpaid.	File Form CT-1040X no later than three years after the due date of your return, or if you filed a timely request for an extension of time to file, three years after the date of filing the return or three years after the extended due date, whichever is earlier.

#### Do not file Form CT-1040X for any of the following reasons:

- To have an overpayment refunded instead of applied to next year's estimated tax or to change your contributions to designated charities. The elections that you made on your original return cannot be changed by filing Form CT-1040X.
- To amend your Connecticut income tax return for an earlier year to claim a credit for income tax paid on income included in your Connecticut adjusted gross income for that year and repaid in a later taxable year. File Form CT-1040CRC, Claim of Right Credit, with your Connecticut income tax return for the later taxable year.

Financial Disability: If you are financially disabled, as defined in IRC §6511(h)(2), the time for having an overpayment of Connecticut income tax refunded or credited to you is extended for as long as you are financially disabled. You are considered financially disabled if you are unable to manage your own affairs by reason of a medically determinable physical or mental impairment that has lasted or can be expected to last for a continuous period of not less than 12 months. You are not considered financially disabled during any period that your spouse or any other person is authorized to act on your behalf in financial matters. See Policy Statement 2001(14), Claims for Refund Made by Financially Disabled Individuals.

### **Completing Form CT-1040X**

Line numbers on Form CT-1040X may be different from the line numbers on your original return.

**Step 1:** Check the box labeled *Federal or state changes* on Page 1 if you are amending your return because the IRS or federal court changed or corrected your federal income tax return, if tax officials or courts of a qualifying jurisdiction made a change or correction to an income tax return filed with that jurisdiction and for which you claimed a credit in your Connecticut return for taxes paid to that jurisdiction, or because you filed a timely-amended federal or other state's income tax return. Enter the date of the final determination by the IRS or by the other jurisdiction.

**Step 2:** Refer to your original return and identify all the changes that need to be made.

Step 3: Find the corresponding line items on Form CT-1040X.

**Step 4:** Complete *Schedules 1, 2, 3,* and *4.* Enter the corrected amounts for each line. If you are not making corrections, enter the amounts reported on your original return.

**Step 5:** Use Column A to enter the amounts shown on your original or previously-adjusted return.

**Step 6:** Use Column B to enter the net increase or decrease for each line you are changing.

**Step 7:** Explain each change in the space provided on Page 2 of Form CT-1040X.

#### Form CT-1040X Instructions

#### **Filing Status**

Generally, your filing status must match your federal income tax filing status for the year. However, when one spouse is a Connecticut resident or a nonresident and the other spouse is a part-year resident, each spouse who is required to file a Connecticut income tax return must file as married filing separately. When one spouse is a Connecticut resident and the other is a nonresident, each spouse who is required to file a Connecticut income tax return must file as married filing separately, unless they file jointly for federal income tax purposes and they elect to be treated as if both were Connecticut residents for the entire taxable year. See Special Rules for Married Individuals in the instructions to Form CT-1040 or Form CT-1040NR/PY.

**Line 2 and Line 4:** Enter the amount from *Schedule 1*, Line 39, on Line 2, Column C, and the amount from *Schedule 1*, Line 50, on Line 4, Column C.

Attach a copy of your corrected Schedule CT-SI, Nonresident or Part-Year Resident Schedule of Income from Connecticut Sources. Part-Year Residents: Also attach a copy of your corrected Schedule CT-1040AW, Part-Year Resident Income Allocation.

**Line 8:** Calculate the tax on the amount you entered on Line 7, Column C, using the *2013 Tax Calculation Schedule* on Page 6.

Enter the result on Line 8, Column C.

**Line 10: Residents:** Calculate the tax on the amount you entered on Line 5, Column C, using the *2013 Tax Calculation Schedule* on Page 6. Enter the result in Column C.

Nonresidents and Part-Year Residents: Enter "0" in Column C.

Line 17: If changes are being made to your allowable credits, you must complete a corrected **Schedule CT-IT Credit**, *Income Tax Credit Summary*. Write the word "Amended" across the top and attach it to Form CT-1040X. You must also attach a corrected **Form CT-8801**, *Credit for Prior Year Connecticut Minimum Tax for Individuals, Trusts, and Estates* if the prior year alternative minimum tax credit is being changed. If you are filing a corrected Form CT-8801, write the word "Amended" across the top and attach it to Form CT-1040X.

Line 21: If changes are being made to your Connecticut income tax withholding, complete the *Withholding Schedule* on Form CT-1040X, Page 3, and enter the total from Line 70 in Column C. If the withholding you are reporting is from Schedule CT K-1, check the box on the withholding schedule. If you have more than seven federal W-2 and 1099 forms or Schedule CT K-1s, you must complete Supplemental Schedule CT-1040WH and attach it to the back of your amended Connecticut income tax return. Enter the total from Supplemental Schedule CT-1040WH, Line 3, on Line 70h, Column C.
