Part IV Principal Agricultural Activity Codes

Do not file Schedule F (Form 1040) to report the following.

• Income from providing agricultural services such as soil preparation, veterinary, farm labor, horticultural, or

management for a fee or on a contract basis. Instead file Schedule C (Form 1040) or Schedule C-EZ (Form 1040).

- Income from breeding, raising, or caring for dogs, cats, or other pet animals. Instead file Schedule C (Form 1040) or Schedule C-EZ (Form 1040).
- Sales of livestock held for draft, breeding, sport, or dairy purposes. Instead file Form 4797.

These codes for the Principal Agricultural Activity classify farms by their primary activity to facilitate the administration of the Internal Revenue Code. These six-digit codes are based on the North American Industry Classification System (NAICS).

Select the code that best identifies your primary farming activity and enter the six-digit number on line B.
