4. Pass-through tax credit from partnership, LLC, S corporation, estate, or trust. Enter information on Part II and Part IV of the IA 148 Tax Credits Schedule. 4. _____

Instructions

A Biodiesel Blended Fuel Tax Credit is available to retail dealers of diesel fuel who operate motor fuel pumps at a retail motor fuel site. Tank wagons are considered retail motor fuel sites.

The amount of the credit is four and one half cents multiplied by the number of gallons sold during 2013 that contain a minimum of 5% biodiesel.

The IA 8864 should be completed for all gallons sold in Iowa. Enter the credit calculated on line 3 in Part II of the IA 148 Tax Credits Schedule.

If the taxpayer is a partnership, LLC, S corporation, estate, or trust, the credit must be allocated to the individual owners in the ratio of each owner's share of the earnings of the entity to the entity's total earnings.

If the taxpayer has received any pass-through Biodiesel Blended Fuel Tax Credit from a partnership, LLC, S corporation, estate, or trust, indicate that amount on line 4 of the IA 8864. Also enter the amount on Part II of the IA 148 Tax Credits Schedule, providing the pass-through name and FEIN in Part IV of the IA 148 Tax Credits Schedule. If the taxpayer has received multiple pass-through Biodiesel Blended Fuel Tax Credit claims, sum all claims and enter on line 4 of the IA 8864, but list the claims separately on Part II of the IA 148 Tax Credits Schedule, providing each pass-through name and FEIN in Part IV.

Any credit in excess of the tax liability can be refunded. In lieu of the refund, the taxpayer may elect to have the overpayment credited to the tax liability for the following year.

The IA 148 Tax Credit Schedule must be completed.
