INSTRUCTIONS FOR SCHEDULE K-33

GENERAL INFORMATION

K.S.A. 32-1438 and 32-1438a provides for an income tax credit equal to 20% of the cost of liability insurance paid by a registered agritourism operator who operates an agritourism activity. The maximum credit allowed is \$2,000 per tax year. An agritourism business must register with the Kansas Department of Wildlife, Parks and Tourism and receive a certificate of eligibility to claim this income tax credit.

Registered agritourism businesses who begin operating on or after July 1, 2004 may claim this credit for the first five taxable years the agritourism business is open.

If the credit exceeds the taxpayer's income tax liability for the tax year, the excess credit may be carried forward to the next succeeding year or years until the total amount of tax credit has been used, except that no credit may be carried over for deduction after the third taxable year succeeding the taxable year in which the credit is earned.

 For tax year 2013, and all tax years thereafter, new credits shall be available to only corporations that are subject to the Kansas corporate income tax (i.e., C Corporations). New credits shall no longer be available to individuals, partnerships, S corporations, limited liability companies, and other pass-through entities.

Carry Forward of Unused Credits: If this credit was earned prior to tax year 2013 and a carry forward credit remains available to a taxpayer, that taxpayer may continue to claim that credit. However, that carry forward credit shall be subject to limitations and requirements in place at the time the credit was earned.
