Refundable Film Credit Motion Picture Production Company

Motion picture production companies qualify to elect a refundable film credit if they have **not** transferred or carried forward a portion of the film credit for the production/certificate number to be refunded. **Transferees** of the film credit do **not** qualify for the refundable film credit. Transferees should claim their film credit on Schedule Z (Form 1 or Form 1-NR/PY); Form 2, line 48; Schedule U-IC (Form 355U); Schedule CR (Form 355 or 355S) Form M-990T, line 30; or Form M-990T-62, line 36.

Note: If an election to refund the film credit for a production/certificate number is made, the entire film credit remaining after reducing tax liability and other credits will be refunded at 90%. Partial refunds, transfers or carryovers are not allowed. However, the refund can be applied as an estimated payment for the subsequent tax year.
