FORM 1040XN
Schedules

2013

Amended Nebraska Individual Income Tax Return for Tax Year 2013

This Form 1040XN can **only** be used when amending tax year 2013.
Do not use Form 1040XN to change the amount of use tax reported (see instructions for line 41 below).

When to File

Form 1040XN is filed when:

- ◆ The 2013 federal tax return, or another state's 2013 tax return, is amended or corrected; or
- ◆ The information on the 2013 Nebraska income tax return that was previously filed is not correct.

Form 1040XN may only be filed after an original Nebraska return has been e-filed, or paper-filed using Form 1040N.

An amended Nebraska return must be filed within 60 days after filing an amended federal return, or after an Internal Revenue Service (IRS) correction becomes final. A correction is final, even though the taxpayer and the IRS are still contesting the amount due, when one or more of the following has occurred:

1. The taxpayer has paid the tax;
2. The taxpayer has accepted the examining officer's findings;
3. The IRS has approved a closing argument; or
4. A court decision has become final.

An amended Nebraska return reporting a change or correction to another state's return must also be filed within 60 days after the amended return is filed with the other state, or the correction becomes final.

To establish timeliness of the refund claim, attach **dated** copies of:

- ◆ The federal claim for refund;
- ◆ The IRS audit determination; or
- ◆ The amended federal or state return.

Filing 1040XN to Claim a Refund. Except as otherwise noted:

- ◆ When claiming a refund, Form 1040XN must be filed
 - ✓ Within three years of the due date, extended due date, or the date the original return was filed; or
 - ✓ Within two years from the time the tax was paid;

whichever is later.

- ◆ Form 1040XN must be filed to claim a refund resulting from a federal or state change within two years and 60 days following the final determination of the change (but not more than 10 years from the due date of the original return in the case of a change made by another state).
- ◆ If you file an amended federal return past the statute of limitations, do not submit the Nebraska return until you can attach proof of federal acceptance.

A hearing may be requested when filing for a refund on Form 1040XN by writing the request in the Explanation of Changes section of the form.

Protective Claim. An amended Nebraska return filed as a protective claim is not required when an amended federal return has been filed as a protective claim. The payment of a refund by the IRS on a protective claim is a federal change that must be reported within 60 days of the refund.

Nebraska Net Operating Loss. When carrying back a Nebraska net operating loss, you must attach a copy of the completed [Nebraska Net Operating Loss Worksheet, Form NOL](#), and a copy of either

Federal Form 1045 or Form 1040X and all supporting schedules. Any federal NOL deduction is entered on line 48 of Schedule I, Form 1040XN, and the amount of the Nebraska NOL deduction is entered on line 55 of Schedule I.

Amending an E-Filed Return. E-filed returns are amended by filing a paper Form 1040XN. Amounts and other information needed for completing the amended return should be available on saved or printed copies of the original Form 1040N return. If help is needed in completing the amended return, contact Taxpayer Assistance (see contact information).

Taxpayer Assistance. Taxpayer assistance is available at the Nebraska Department of Revenue (Department) offices in Lincoln and Omaha from 8 a.m. to 5 p.m., Monday through Friday. See the Department's website or call the Department at 800-742-7474 (NE and IA), or 402-471-5729.

Confidential Tax Information. Confidential tax information will be released only by a return telephone call, after the caller's identity has been established. A representative of a taxpayer requesting confidential tax information must have a [Power of Attorney, Form 33](#), on file with the Department before any information will be released. An income tax return signed by the preparer is considered a limited power of attorney authorizing the Department to release only the information contained on that tax return to the tax preparer.

Specific Instructions

Line 1

Federal Filing Status. The Nebraska filing status can only be changed when the federal filing status has been changed. Exceptions are made when a married, filing jointly federal return was filed and the residences of the spouses are different, or when the spouses are of the same sex.

Spouses' residences are different when, during all or some part of the year, one spouse is a Nebraska resident and the other spouse is a nonresident at the same time. A couple with different residences may file original returns with Nebraska on either a married, filing jointly basis or a married, filing separately basis.

A couple, with different residences, who has filed separate Nebraska returns may elect, either before or after the original return is due, to file a married, filing jointly return in Nebraska. They are then taxed as though both were Nebraska residents during the time either was a resident. A same-sex married couple may not amend a previously filed return in order to file a married, filing jointly, or married, filing separately return with Nebraska.

A couple with different residences who originally filed a married, filing jointly Nebraska return and wish to amend to married, filing separately returns must satisfy the following conditions:

1. Both spouses must file a separate Nebraska return with a "married, filing separately" status.
 - ◆ The spouse whose Social Security number was listed first on the original return must file this [Amended Nebraska Individual Income Tax Return, Form 1040XN](#).
 - ◆ The spouse whose Social Security number was listed as the spouse on the original return must file a Nebraska Individual Income Tax Return, Form 1040N.
 2. A copy of the actual federal married, filing jointly return and copies of federal returns recalculated on a married, filing separately basis must be attached to each of the spouse's returns.
 3. Each Nebraska return as required in "1" above, must include the full name and Social Security number of the other spouse.
 4. Both spouses must sign each Nebraska return as required in "1."
-

Line 2

Check the appropriate boxes if you or your spouse:

- ◆ Were 65 or over during the tax year;
 - ◆ Were blind; or
 - ◆ Could be claimed as a dependent on another person's return.
-

Line 3

Type of Return Being Filed. Residency is determined by using Form 1040N instructions and the information guide, [Determining Residency Status for Nebraska](#). Line 34	Angel Investment Tax Credit. Attach documentation if this credit is changed.

Line 35**Amount Paid With the Original Return, Plus Additional Tax Payments Made After it Was Filed.**

Enter the amount of tax paid with the original return, plus any tax payments for the same taxable year made after your original return was filed. Do not include the portion of a payment which was for interest or penalty.

Line 37

Overpayments Allowed on Original Return, Plus Additional Overpayments of Tax Allowed After it Was Filed. Enter the amount of overpayment allowed on your original return, previous amended returns, or as later corrected by the Department. This includes:

- ◆ Amounts refunded;
- ◆ Amount applied to 2014 estimated tax; and
- ◆ Donations to the Wildlife Conservation Fund.

Do not include interest received on any refund.

Line 39

Penalty for Underpayment of Estimated Tax. A penalty for underpayment of estimated tax calculated on Form 2210N and reported on an original return cannot be changed unless an amended return is filed on or before the due date for the original return (including any extended due date). Any change being made by the due date should be entered here.

Line 41

Use Tax Reported. Enter the same amount of use tax reported on the original Form 1040N. Form 1040XN cannot be used to change the amount of Nebraska or local use tax reported on Form 1040N.

Review the following options for changing the use tax reported, and choose the instructions that apply to your situation:

- ◆ If use tax was not reported on the Form 1040N, but you have use tax to report, file the [Nebraska Individual Use Tax Return, Form 3](#);
- ◆ If the amount of use tax reported on the Form 1040N needs to be increased, file the Nebraska Individual Use Tax Return, Form 3, and write "Amended" across the top of the return;
- ◆ If the amount of use tax reported on the Form 1040N needs to be decreased and has not yet been paid, file the Nebraska Individual Use Tax Return, Form 3, and write "Amended" across the top of the return; or
- ◆ If the amount of use tax reported and paid on the Form 1040N needs to be decreased, file a [Claim for Overpayment of Sales and Use Tax, Form 7](#).

Line 43

Penalty. If your original return was not filed by the due date, or extended due date, and line 42 minus line 39 indicates tax due, you must calculate a penalty for failure to file in a timely manner. Multiply the result of line 42 minus line 39 by 5% per month or fraction of a month (but not more than a total of 25%) from the due date or extended due date until the original return was filed. Enter the result on line 43.

If this amended return is being filed because of a change made by the IRS who assessed a penalty, multiply the result of line 42 minus line 39 by 5%. Enter the result on line 43. If both the penalty for failure to file in a timely manner and the penalty because of an IRS assessment are calculated, enter the larger amount on line 43.

Additional penalties may be imposed by the Department for:

1. Failure to pay tax when due;
2. Failure to file an amended return when required;
3. Preparing or filing a fraudulent income tax return;
4. Understatement of income on an income tax return; or
5. Underpayment of estimated tax.

Line 44

Interest. If line 42 is greater than line 39, tax is due. Interest is also due on the result of line 42 minus line 39 at the statutory rate from the original due date to the date the tax is paid. Beginning January 1, 2013, the statutory interest rate is 3%. See [Rev. Rul. 99-12-1](#) for applicable interest rates for other years.

Line 45

Total Balance Due. Enter the total of lines 42 through 44.

Electronic Payment Options

Nebraska e-pay. Nebraska e-pay is the Department's web-based electronic payment system. You enter your payment and bank account information, and choose a date (up to a year in advance) to have your account debited. You will receive an email confirmation for each payment scheduled.

Credit Card. Secure credit card payments can be initiated through Official Payments at officialpayments.com; via phone at 800-2PAY-TAX; or by downloading the OPAY app from your smart phone's app store. Eligible credit cards include American Express, Discover, MasterCard, and VISA. A convenience fee (2.49% of the tax payment, \$1 minimum) is charged to the card you use. This fee is paid to the credit card vendor, not the state, and will appear on your credit card statement separately from the tax payment. At the end of your transaction, you will be given a confirmation number. Keep this number for your records. [If you are making your credit card payment by phone, you will need to provide the Nebraska Jurisdiction Code, which is 3700.]

Check or Money Order. If you are not using one of the electronic payment options described above, include a check or money order payable to the "Nebraska Department of Revenue." Checks written to the Department may be presented for payment electronically.

Line 46

Refund. Enter the refund amount. Amounts less than \$2 will not be refunded. None of the refund will be applied to estimated tax.

If you are owed interest on a refund, it will be calculated by the Department and added to the amount shown on line 46.

If a taxpayer has an existing tax liability of any kind with the Department, any refund shown on this return may be applied to that liability. The Department will notify the taxpayer if the refund has been applied against another tax liability.

Explanation of Changes

Print or type your explanation of changes on Form 1040XN, or attach a schedule for each change reported on this return for lines 5 through 34. Attach a copy of each federal form used to report the change. If you are filing an amended return due to an audit by the IRS or the Department, attach a dated copy of the audit determination. If you are filing for an income tax refund due to a carryback of a Nebraska net operating loss, you must attach a copy of either:

- ◆ Federal Form 1045 or Form 1040X;
- ◆ All supporting schedules; or
- ◆ A completed Nebraska Net Operating Loss Worksheet.

If you are filing an amended return due to a change in Nebraska credits claimed, attach the applicable schedule, form, other state's return, or audit determination.

Direct Deposit

To have your refund directly deposited into your checking or savings account, enter the routing number and account number found on the bottom of the checks associated with the account.

Do not enter information found on deposit slips or from a debit card, as this information is not necessarily the routing and account information.

Line 47a

Enter the routing number listed first. It must be nine digits.

Line 47b

Check the type of account.

Line 47c

Enter the account number listed to the right of the routing number including any leading zeroes. It can be up to 17 digits.

Line 47d

Line 47d is used to comply with new banking rules regarding International ACH Transactions (IATs). The box must be checked whenever a refund will go to a bank account outside the United States, or if a refund is sent to a bank account inside the territorial jurisdiction of the United States and 100% of the original refund is later transferred to a bank outside of the United States. These refunds cannot be processed as direct deposits and will be mailed instead.

Signatures

Both spouses must sign their married, filing jointly return. If another person signs this return for the taxpayer, a copy of a [Power of Attorney, Form 33](#), or court order authorizing the person to sign the return must be on file with this Department or attached to this return.

Any person who is paid for preparing a taxpayer's return must also sign the return as preparer. Additionally, the tax preparer must enter the Preparer Tax ID Number (PTIN).

Deceased Taxpayers

A spouse claiming a refund on a married, filing jointly return with a deceased spouse should not file [Form 1310N](#). Instead, sign the Form 1040XN as "surviving spouse" for the deceased taxpayer. All others, attach Form 1310N if a refund is being claimed on behalf of taxpayers who have died.

See [Form 1040N instructions](#) for more information.

Nebraska Schedule II Instructions

A credit for tax paid to another state is allowed only for full-year Nebraska residents. A change on line 17, Form 1040XN, Total Nebraska Tax, requires Credit for Tax Paid to Another State, Schedule II, to be recalculated. If the amended Schedule II on the back of Form 1040XN is not completed, adequate supporting schedules must be attached.

If another state's return is amended or changed by the other state, Form 1040XN must be filed to report the change in the credit for tax paid to the other state. Attach a complete **dated** copy of the corrected return, including schedules and attachments, or a copy of a letter or statement from the other state or subdivision, indicating the amount of income reported and corrected tax paid. If the subdivision does not require that an income tax return be filed, attach a copy of the statement from the employer showing the corrected amount of tax withheld. Failure to attach supporting documents may cause this credit to be disallowed.

Refer to the instructions on [Schedule II of Form 1040N](#) for more details on the calculation and limitations of this credit.

Line 58	AGI Derived From Another State. If lines 58 or 60 are changed, a complete dated copy of the corrected return filed with another state must be attached. If the entire return is not attached, credit for tax paid to another state will not be allowed.
