## Who must complete

If you were a full-year nonresident or a part-year resident of North Dakota (ND) during the tax year, you must complete this schedule to calculate your tax. If married filing jointly, this applies if either spouse was a nonresident of ND for part or all of the tax year. If you were a full-year resident of Minnesota or Montana, and all of your income is exempt from ND tax under reciprocity, do not complete this schedule. See “Reciprocity” in the Form ND-1 instruction booklet for more information.

## How to complete

Fill in your name, social security number, and residency status at the top of the schedule. If you were a part-year resident of ND during the tax year, enter the dates you were a resident of North Dakota. If you were a full-year nonresident or part-year resident, enter the name of the other state where you were a resident. If, instead of a state, you were a resident of a foreign country, enter the name of the country.

Complete Column A (Total from federal return) first by filling in the total amounts from your federal income tax return. Then complete Column B (North Dakota portion) according to the specific line instructions that follow.

## Column B instructions

Complete Column B by filling in the portion of the amount in Column A that is reportable to ND, as explained in the specific line instructions for Column B. If part or all of a North Dakota income amount reportable in Column B was entered on Form ND-1, line 7, 9, 10, 11, 13, or 16 because it is exempt from North Dakota income tax, only enter the taxable portion in Column B.

### Line 1, Column B

Include wages, salaries, tips, commissions, bonuses, and other compensation received for services performed in ND while a nonresident, and all compensation received while a ND resident. Do not include on this line compensation received while a nonresident if it is:

- Exempted under the reciprocity agreement with Minnesota or Montana.
- Received for active duty service in the U.S. armed forces.
- Received by an individual who is a civilian spouse of a nonresident U.S. armed forces servicemember stationed in ND, and who is in ND for the sole purpose of residing with the servicemember.
- Exempted under federal interstate commerce law covering certain rail, motor, air, and water carrier employees working in multiple states on a regular basis.
