SD 100ES Rev. 10/12

School District Year 2013 Estimated Income Tax Payments Worksheet #1: <u>Traditional</u> Tax Base

Use this worksheet to determine your liability for school district income tax due to a <u>traditional</u> tax base school district as shown in the list on pages 3-4.

If you filed a school district income tax return for year 2012 and if you will be making estimates based on the "last year's tax" method, skip lines 1 through 8 and enter on line 9 below 100% of the tax shown on line 6 of the 2012 Ohio form SD 100.

Note 1: If you move during the year and you will be residing in more than one school district that imposes the school district income tax, then you will need to complete a separate worksheet for each school district.

Note 2: You can avoid paying school district estimated income tax if the sum of (i) your 2013 Ohio income tax withholding and (ii) your 2013 school district income tax withholding and (iii) \$500 is equal to or greater than the sum of your 2013 Ohio income tax and your 2013 school district income tax.

What Are My Payment Options?

There are three payment options available to you:

 Electronic Check – Save time and postage by electronically filing and paying your 2013 quarterly estimates. Simply go to our Web site at tax.ohio.gov for this electronic payment option. Using this method of payment eliminates the need for you to file a paper copy of Ohio form SD 100ES.

- Credit Card You may use your Discover/Novus, VISA, Master Card or American Express card to pay your estimated school district income taxes. You may make your credit card payments by either visiting tax.ohio.gov or by calling 1-800-2PAY-TAX (1-800-272-9829). The Ohio jurisdiction code is 6446. Official Payments charges a convenience fee equal to 2.5% (or \$1, whichever is greater). This fee is paid directly to Official Payments Corporation and is based on the amount of your tax payment. Do not file Ohio voucher form SD 100ES if you use the credit card method of payment.
- Check or Money Order If you do not want to use an electronic check or credit card to make your payment, you may send in a personal check or money order made payable to the School District Income Tax with your quarterly estimated Ohio form SD 100ES.
 Mail to the address printed on the voucher. Do not send cash.
