Social Security Number (shown first)
--------------------------------------

Use this schedule to list and calculate your total PA-taxable compensation and PA tax withheld from all sources.

**Part A Instructions:** List each federal Form W-2 for you and your spouse, if married, received from your employer(s). In the first column enter T for the taxpayer's Social Security Number that appears first on the PA tax return and enter S for the second or spouse SSN. From the Forms W-2, enter each employer's federal identification number. Enter the amounts from the Forms W-2 in each column. **IMPORTANT:** You do not have to submit a copy of your Form W-2 if you earned all your income in Pennsylvania and your employer reported your PA wages correctly and withheld the correct amount of PA income tax. You **must submit** a copy of your Form W-2 in certain circumstances. See the PA Schedule W-2S instructions for a list of when a copy of a W-2 is required.

**Part B Instructions:** List each source of income received during the taxable year on a form or statement other than a federal Form W-2. Enter each payer's name. List the payment type that most closely describes the source of your non-employee compensation. Enter the amount of other compensation that you earned. If the form or statement does not have separately stated amounts, enter the amount shown in both federal and PA columns.

**IMPORTANT:** You must submit a copy of each form and statement that you list in Part B, whether or not the payer withheld any PA income tax and regardless of whether or not the income was taxable in PA. **CAUTION:** The federal and Pennsylvania (state) wages may be different in Part A and Part B.

**If you need more space, you may photocopy this schedule or make your own schedules in this format.**
