Caution: Federal and Pennsylvania rules for taxable interest income are different. You cannot use the federal schedule to report Pennsylvania interest income. Read the instructions. If the taxable interest income is \$2,500 or less, the fiduciary must report the income, but is not required to submit PA-41 Schedule A. If the interest income is more than \$2,500, the fiduciary must submit PA-41 Schedule A. List the name of each payer and the amount of Pennsylvania-taxable interest income you received during the year.
