2013 Form RI-2210
Underpayment of Estimated Tax by Individuals, Estates

PURPOSE OF THIS FORM

Individuals should use this form to determine if their income tax was sufficiently prepaid throughout the year by having Rhode Island tax withheld or by paying Rhode Island estimated tax. If not, a charge may be imposed on the underpayment of the taxes. Complete Part 1 of this form to determine if the payment of the charge may be avoided.

FARMER AND FISHERMAN

If you meet both of the following tests, you may be exempt from the charge for underpayment of estimated tax: ① Gross income from farming or fishing is at least two thirds of your annual gross income; and, ② Filed Form RI-1040 or RI-1040NR and paid the tax due on or before March 1, 2014. If you meet both of the tests, enter zero on Form RI-2210, line 22. Also, check the 2210 box and enter zero on RI-1040, line 15b or RI-1040NR, line 18b. Otherwise, substitute 66.67 % for 80% on Part I, line 2 and complete Part 1 and Part 3, Column D of this form. Attach this form to your return or mail to RI Division of Taxation if the return has been previously filed.

ESTATES

Estates are not required to file a declaration of estimated tax for the first two years after a decedent's death. If the estate qualifies for this exemption from remitting payments and is not subject to the charge for underestimating interest, enter zero on Form RI-2210, line 22. Also, check the 2210 box and enter zero on RI-1041, line 16B.

If you had no federal tax liability for 2012 and you were a Rhode Island resident during all of 2012, and your 2012 federal tax return was (or would have been had you been required to file) for a full 12 months, then enter zero (0).

Line 6 - Enter the smaller of line 2 or line 5 (including zero). If line 6 is zero, you do not owe any amount and need not complete the rest of this form. However, you must attach this form to your Rhode Island return.

PART 2 - SHORTCUT METHOD

Line 7 - Enter the amount from line 6.

Line 8 - Enter the total amount of estimated tax and withholding tax you paid for 2013 (RI-1040, lines 14a and 14b, RI-1040NR, lines 17a, 17b and 17c or RI-1041, lines 15A, 15B and 15C).

PART 3 - FIGURE YOUR UNDERPAYMENT

Line 13 - Divide the amount shown on line 6 by four (4) and enter the result in each column.

Line 14 - If your income varies during the year, you may complete the annualized income installment worksheet. However, if you complete and use line 14 for any installment you must complete it and use it for all installments.

NOTE: COMPLETE LINES 15-17 FOR ONE COLUMN BEFORE COMPLETING THE NEXT COLUMN.

Line 15 - Enter the amount from line 13 (or from line 14, if line 14 was completed).

Line 16 - You are considered to have paid Rhode Island withholding tax evenly during the year unless you can show otherwise. Therefore, you are considered to have paid one-fourth of your Rhode Island withholding on each installment due date. Divide the total amount withheld by 4 and enter the results in each column. Enter the estimated taxes paid that were for 2013 tax year plus any portion of your overpayment from 2012, which you elected to be applied to 2013. Enter in column A those payments made on or before April 15, 2013, in column B those payments made between April 16, 2013 and June 15, 2013, in column C those payments made between June 16, 2013 and September 15, 2013, and in column D those payments made between September 16, 2013 and January 15, 2014.

If you filed your return on or before February 15, 2014 and paid the tax balance in full, then enter that amount in column D. This only applies to those taxpayers who either were not required to make a Rhode Island estimated tax payment prior to the January 15, 2014 installment date or included their January 15, 2014 installment payment with the tax balance paid on or before February 15, 2014.

Line 17 - Subtract line 16 from line 15 for any underpayments. Subtract line 15 from line 16 for any overpayments. Any overpayments on line 17 should be used to increase the amount entered on line 16 for the next installment period. Any underpayment on line 17 should be used to decrease the amount on line 16 for the next installment period. However, if you entered amounts on line 14, annualized income installments, and the amounts on line 17 are zero (\$0) or less for all installment periods, then enter zero (\$0) on line 22 and file this form with your return.
