# Instructions for Application for Barge and Rail Usage Tax Credit

## General Information

An income tax credit is allowed for transporting cargo containers by barge and rail. The amount of the credit is \$25 per 20-foot equivalent unit (TEU) or 16 tons of noncontainerized cargo moved by barge or rail rather than by trucks or other motor vehicles on Virginia's highways. For purposes of this credit, a 40-foot or 45-foot container is equivalent to two TEUs. Containers for which this credit is claimed must result from a diversion of shipments from the Commonwealth's highways. To receive a credit, an international trade facility is required to apply to the Department. No more than \$1.5 million in tax credits can be issued in any fiscal year. If the amount of tax credits requested exceeds \$1.5 million, the credits will be allocated proportionately among all qualified taxpayers. The Department will determine the allowable credit amount for the taxable year and provide a written certification to each taxpayer.

Taxpayers can claim this credit against the Individual Income Tax, the Corporate Income Tax, the Tax on Estates and Trusts, the Bank Franchise Tax, the Insurance Premiums License Tax, and the tax on public service corporations. Any unused tax credits may be carried over for five taxable years. Any amount of credit attributable to a partnership, S-corporation, or limited liability company shall be allocated to the individual partners, shareholders, or members, respectively, in proportion to their ownership or interest in the business entity.

For purposes of this credit, an "international trade facility" is a company that is doing business in Virginia and is engaged in port-related activities, including but not limited to warehousing, distribution, freight forwarding and handling, and goods processing; has the sole discretion and authority to move cargo in containers originating or terminating in Virginia; uses maritime port facilities located within the Commonwealth; and undertakes activities that result in utilizing a barge or rail to move cargo containers rather than using trucks or other motor vehicles on a highway. **To qualify for this credit, an international trade facility must have an ownership interest in the cargo and control the choice of transportation.**

The credit is effective for taxable years beginning on and after January 1, 2011, but before January 1, 2017. No tax credits can be issued after the fiscal year ending June 30, 2017.

## Instructions for Lines 2 and 3

For purposes of this credit, 16 tons of noncontainerized cargo is equivalent to one TEU. If you are claiming this credit for noncontainerized cargo, convert the tonnage to TEUs and enter the number of TEUs on Lines 2 and 3.

## What to Attach

You must complete and attach your validation summaries (current and previous taxable years) from the VPA. Additionally, Schedule A should be submitted for shipments not listed on the VPA validation summary or shipped through non-VPA owned ports. In the "Container Size" column, indicate whether the container is a 20-foot, 40-foot, or 45-foot container, or state the amount of noncontainerized cargo. For purposes of this credit, a 40-foot or 45-foot container is equivalent to two TEUs, and 16 tons of noncontainerized cargo is equivalent to one TEU. Copies of Schedule A can be submitted if additional space is needed.

Taxpayers should retain all supporting documentation, such as bills of lading that show the amount of cargo that was shipped and the date of shipment.

## When to Submit Application

Form BRU and any supporting documentation must be completed and mailed no later than April 1 for credits earned the preceding year.

For any application received without a postmark, the date received by the Department will be used to determine if the application was received by the filing deadline.

## Where to Submit Application

Submit Form BRU and attachments to the **Department of Taxation, ATTN: Tax Credit Unit, P.O. Box 715, Richmond, VA 23218-0715** or fax it to **804-367-3021**.

## What to Expect from the Department

If the Department needs additional information we will contact you by May 1 and you will have until May 15 to respond. If you have not received acknowledgement of your application by May 31, call 804-786-2992.

The Department will issue the credit by June 30. If you have not received your credit certification by July 15, call **804-786-2992**.

## What Does the Taxpayer Need to Do

Upon receiving notification of the allowable credit amount, taxpayers may claim the allowable credit amount on the applicable Virginia income tax return and compute any carryover credit amount.

As an attachment to their return, a corporation must file Form 500CR; an individual must file Schedule CR; and a pass-through entity must file Form 502ADJ.

## IMPORTANT

All business taxpayers should be registered with the Department before completing Form BRU. If you are not registered, complete Form R-1.

If the tax return upon which this credit will be claimed is due on or before May 1, you may need to either submit an extension payment for any tax due or file an amended return once you have received the credit certification.

## Pass-Through Entities

In order to allocate the credit to the partners, shareholders, or members, each pass-through entity must file **Form PTE** with the Department within 30 days after the credit is granted. This information should be sent to: **Department of Taxation, Attn: Tax Credit Unit, P.O. Box 715, Richmond, VA 23218-0715** OR you may fax it to **804-786-2800**. Please do not do both.

Credit must be allocated among owners in proportion to each owner's percentage of ownership or participation in the pass-through entity.

All pass-through entities distributing this credit to their owners, shareholders, partners or members must give each a Schedule VK-1, Owner's Share of Income and Virginia Modifications and Credits.
