

ALABAMA DEPARTMENT OF REVENUE
INDIVIDUAL AND CORPORATE TAX DIVISION
Pass Through Entity Payment Voucher

Note: This voucher should accompany any payment submitted for Form 20S or Form PTE-C income tax returns.

WHO MUST FILE. Taxpayers submitting a payment for income taxes due on a Form 20S or Form PTE-C must complete a Form PTE-V and submit it and the required payment with the tax return – unless the payment is made electronically. A Form PTE-V must also be prepared and submitted with any income tax estimated payment or any income tax automatic extension payment. A Form PTE-V is never required whenever the taxpayer is making an electronic payment.

WHEN TO FILE. A Form PTE-V and full payment of any tax owed is due by the original due date of the Form 20S or Form PTE-C tax return. Estimated income tax payments for calendar year corporations are due by the fifteenth day of April, June, September, and December. Estimated income tax payments for fiscal year corporations are due by the fifteenth day of the fourth, sixth, ninth, and twelfth months of the fiscal year. An extension granted to file an annual income tax return is not an extension to pay the income tax – full payment of any tax owed is due by the original due date of the income tax return. Any late payment will result in the assessment of applicable interest and penalties.
