2014 Instructions for Form FTB 8453-FID

California e-file Return Authorization for Fiduciaries

General Information

Purpose of Form FTB 8453-FID A

Form FTB 8453-FID, California e-file Return Authorization for Fiduciaries, is the signature document for fiduciary e-file returns. By signing this form, the fiduciary, electronic return originator (ERO), and paid preparer declare that the return is true, correct, and complete. Additionally, the signatures authorize the electronic transmission of the return to the Franchise Tax Board (FTB) and the execution of any designated electronic account settlement. The form does not serve as proof of filing an electronic return – the acknowledgement containing the date of acceptance for the return is that proof.

ERO and Paid Preparer Responsibilities В

As an authorized e-file provider, you must:

- · Review the fiduciary's return, plus entries, and banking information on form FTB 8453-FID.
- Obtain the fiduciary or officer representing the fiduciary's signature after you prepare the return, but before you transmit it.
- Sign form FTB 8453-FID.
- Provide the fiduciary or officer representing the fiduciary with:
 - A signed original or copy of form FTB 8453-FID.
 - A copy of the fiduciary return and associated forms and schedules.
- Retain the original or faxed signed form FTB 8453-FID with a copy of the return in your records.

Fiduciary Responsibilities C

Before the fiduciary's ERO can e-file the return, the fiduciary must:

- Verify all information on the form FTB 8453-FID, including employer identification number and banking information.
- Inspect a copy of the return and ensure the information is correct.
- Sign form FTB 8453-FID after the return is prepared but before it is ٠ transmitted.
- Submit the signed form FTB 8453-FID to the fiduciary's ERO (fax is acceptable).

After the fiduciary's return is e-filed, the fiduciary must retain the following documents for the California statute of limitations period:

- Form FTB 8453-FID (signed original or copy of the form).
 A paper copy of Form 541, and all supporting schedules.
- A paper copy of the fiduciary's federal tax return.

The California statute of limitations is the later of four years from the due date of the return or four years from the date the return is filed.

(Exception: An extended statute of limitations period may apply for California or federal tax returns that are related to or subject to a federal audit or California audit.)

D **Paying Your Taxes**

When the fiduciary e-files their tax return, the fiduciary can choose from the following payment options:

• Pay by electronic funds withdrawal (EFW): Fiduciaries can have all or part of their balance due withdrawn electronically from their bank account on the date the fiduciary chooses. Be sure the account information is correct. If the bank or financial institution rejects the EFW due to an error in the routing number or account number, we will send you a notice that may include penalties and interest.

To cancel an EFW, the fiduciary must call FTB e-Programs Customer Service at 916.845.0353 at least two working days before the date of the withdrawal.

 Pay by check or money order: The fiduciary can pay by check or money order using form FTB 3843. Mail form FTB 3843 with payment to the FTB using the address printed on the voucher.

Using blue or black ink, make all checks or money orders payable in U.S. dollars and drawn against a U.S. financial institution.

Specific Instructions

Date of Acceptance

Enter the date the FTB accepts the return in the space at the top of form FTB 8453-FID.

Part III – Make Estimated Tax Payments for 2015

When the fiduciary e-files their tax return, the fiduciary may opt to schedule the electronic payment of estimated tax payments for taxable year 2015. The amount the fiduciary designates will be withdrawn from a single account listed in Part IV on the date the fiduciary selects. Be sure to select a date on or before the due date of the estimated tax payment to avoid penalties and interest charges.

To cancel a scheduled estimated tax payment, the fiduciary must call FTB e-Programs Customer Service at 916.845.0353 at least two working days before the date of the withdrawal.

Part IV – Banking Information

The fiduciary can find the routing and account numbers on a check or bank statement, or by contacting their financial institution. Do not use a deposit slip as it may contain internal routing numbers.

Line 9 - The routing number must be nine digits. The first two digits must be between 01 and 12 or 21 and 32.

Line 10 – The account number can be up to 17 characters and can include numbers and letters. Include hyphens, but omit spaces and special symbols.

Caution: Check with the fiduciary's financial institution to make sure routing and account numbers are correct. The FTB is not responsible for a lost refund due to incorrect account information entered by the fiduciary or its representative. Also, if the bank or financial institution rejects the electronic funds withdrawal due to an error in the routing number or account number, we will send the fiduciary a notice that may include penalties and interest.

Part V – Declaration of Fiduciary or Officer

An electronically transmitted tax return is not considered complete or filed unless form FTB 8453-FID is signed by the fiduciary or officer representing the fiduciary before the return is transmitted.

Part VI – Declaration of ERO and **Paid Preparer**

The ERO must sign and complete Part VI. Handwritten signatures, or approved alternatives are acceptable as noted in Pub. 1345. If the ERO is also the paid preparer, the ERO must check the box labeled, "Check if also paid preparer." If the ERO is not the paid preparer, the paid preparer must sign in the space for "Paid Preparer Must Sign."
