### **General Instructions**

Instead of filing Form 8453-PE, a general partner or limited liability company member manager filing a partnership's return through an electronic return originator (ERO) can sign the return using a personal

identification number (PIN). For details, see Form 8879-PE, IRS e-file Signature Authorization for Form 1065.

#### **Future Developments**

For the latest information about developments related to Form 8453-PE and its instructions, such as legislation enacted after they were published, go to www.irs.gov/form8453pe.

### **Purpose of Form**

Use Form 8453-PE to:

- Authenticate an electronic Form 1065, U.S. Return of Partnership Income;
- Authorize the ERO, if any, to transmit via a third-party transmitter; and
- Authorize the intermediate service provider (ISP) to transmit via a third-party transmitter if you are filing online (not using an ERO).

#### **Who Must File**

If you are filing a 2014 Form 1065 through an ISP and/or transmitter and you are not using an ERO, you must file Form 8453-PE with your electronically filed return. An ERO can use either Form 8453-PE or Form 8879-PE to obtain authorization to file the partnership's Form 1065.

#### When and Where To File

File Form 8453-PE with the partnership's electronically filed return. Use a scanner to create a Portable Document Format (PDF) file of the completed form. Your tax preparation software will allow you to transmit this PDF file with the return.

## **Specific Instructions**

**Name.** Print or type the partnership's name in the space provided. **Employer identification number (EIN).** Enter the partnership's EIN in the space provided.

# Part II—Declaration of General Partner or Limited Liability Company Member Manager

An electronically transmitted return will not be considered complete, and therefore filed, unless either:

- Form 8453-PE is signed by a general partner or limited liability company member manager, scanned into a PDF file, and transmitted with the return, or
- The return is filed through an ERO and Form 8879-PE is used to select a PIN that is used to electronically sign the return.

The general partner or limited liability company member manager's signature allows the IRS to disclose to the ERO, transmitter, and/or ISP:

- An acknowledgement that the IRS has accepted the partnership's electronically filed return, and
- The reason(s) for any delay in processing the return.

The declaration of general partner or limited liability company member manager must be signed and dated by:

- The president, vice president, treasurer, assistant treasurer, chief accounting officer, or
- Any other general partner or limited liability company member manager (such as tax officer) authorized to sign the partnership's return.

If the ERO makes changes to the electronic return after Form 8453-PE has been signed by the general partner or limited liability company member manager, whether it was before it was transmitted or if the return was rejected after transmission, the ERO must have the general partner or limited liability company member manager complete and sign a corrected Form 8453-PE if either:

- The total income (loss) on Form 1065, line 8 differs from the amount on the electronic return by more than \$150, or
- The ordinary business income (loss) on Form 1065, line 22 differs from the amount on the electronic return by more than \$100.

# Part III – Declaration of Electronic Return Originator (ERO) and Paid Preparer

**Note.** If the return is filed online through an ISP and/or transmitter (not using an ERO), do not complete Part III.

If the partnership's return is filed through an ERO, the IRS requires the ERO's signature. A paid preparer, if any, must sign Form 8453-PE in the space for Paid Preparer Use Only. But if the paid preparer is also the ERO, do not complete the paid preparer section. Instead, check the box labeled "Check if also paid preparer."

### **Use of PTIN**

**Paid Preparers.** Anyone who is paid to prepare the partnership's return must enter their PTIN in Part III. For information on applying for and receiving a PTIN, see Form W-12, IRS Paid Preparer Tax Identification Number (PTIN) Application and Renewal, or visit www.irs.gov/ptin.

**EROs who are not paid preparers.** Only EROs who are not also the paid preparer of the return have the option to enter their PTIN or their social security number in the "ERO's Use Only" section of Part III. For information on applying for and receiving a PTIN, see Form W-12, IRS Paid Preparer Tax Identification Number (PTIN) Application and Renewal, or visit *www.irs.gov/ptin*.
