

Instructions for Idaho Form 51

(Return the bottom portion only if you're making a payment.)

A. GENERAL INFORMATION

If you can't file your Idaho tax return by April 15, 2015, you will be allowed an automatic six-month extension without filing a written request. However, an extension of time to file your return isn't an extension of time to pay your tax. To qualify for an automatic extension and avoid penalties, you must:

- Pay by April 15, 2015, the lesser of:
 - 80% of the estimated tax due on your 2014 return, or
 - 100% of the income tax reported on your 2013 return
- File your tax return by October 15, 2015

If you owe \$50 or less, a payment isn't required in order to have a valid extension. However, interest will be charged.

Complete the tax payment worksheet below to compute the payment due.

To increase your payment, place the additional amount on line 12 and add it to the minimum amount required on line 11.

Payments must be postmarked or electronically submitted by April 15, 2015.

Form 51 may also be used to make payments of Qualified Investment Exemption (QIE) recapture when you don't file your income tax return by the due date. Write "Payment of QIE Recapture" at the bottom of the form and return it with a check.
