An insurance company must pay the tax required by March 1 after the end of the tax year. Penalty is 5 percent of tax due, for the first two months. Penalty increases by an additional 5 percent per month, or fraction thereof, after the second month, to a maximum of 25 percent. Late payments will also be assessed interest at the rate of 1 percent above the current adjusted prime rate. The interest rate is adjusted by the Michigan Department of Treasury (Treasury) on January 1 and July 1 of each year to 1 percent above the adjusted prime rate. For a complete list of interest

rates, see the Revenue Administrative Bulletins on the Treasury Web site at www.michigan.gov/treasury.
