The CIT payment for non-insurance returns is due on or before the last day of the fourth month after the end of the tax year. An insurance company must pay the tax required by March 1 after the end of the tax year. Penalty is 5 percent of tax due, for the first two months. Penalty increases by an additional 5 percent per month, or fraction thereof, after

the second month, to a maximum of 25 percent. Late payments will also be assessed interest at the rate of 1 percent above the current adjusted prime rate. The interest rate is adjusted by the Michigan Department of Treasury (Treasury) on January 1 and July 1 of each year to 1 percent above the adjusted prime rate.

For a complete list of interest rates, see RAB 2013-15 on the Treasury Web site at www.michigan.gov/taxes.
